## **Landmarks In The History Of Early Christianity:**

Landmarks in the History of Early Christianity Kirsopp Lake, 2021-06-27      Landmarks in the History of Early Christianity Kirsopp Lake, 2013-08 Nothing illustrates this so well as the history of Christianity for no religion is so well known The facts are plainly visible and would be plainly seen by all were it not for the general tendency of ecclesiastical scholarship to consult the records of the past only to find the reflection of its own features The general condition of religion in the Roman Empire at the beginning of the Christian era was one of far advanced disintegration and rapid synthesis In every district there could be found the remains of old local religions which retained the loyalty of the conservative but no longer aroused any vital response in the emotions of the multitudes or in the interest of the educated At that time and for many generations afterward the Roman landowners to take one example maintained the ceremonies and customs of an agricultural animism which for their ancestors had been a living religion but for them had become aesthetic conventional and superstitious an appendage to life not its driving force Those who wish can read a description of it written with a sympathy possible only for one who felt the analogy of his own experience in the pages of Marius the Epicurean in which Walter Pater by a wonderful tour de force wove an exact and scholarly knowledge of the original documents into such a web of artistic English that the deep learning of the book cannot be appreciated except by those who have some small share in it themselves

Landmarks in the History of Early Christianity (Classic Reprint) Kirsopp Lake, 2015-06-30 Excerpt from Landmarks in the History of Early Christianity The following chapters are the lectures given in the spring of 1919 on the Haskell Foundation of Oberlin College They have been somewhat expanded in the course of preparation for the press but have not been materially changed At the time of the delivery of these lectures I was busy with the chapter on Primitive Christianity in the Prolegomena to Acts and was glad of the opportunity to re state some of the conclusions reached in that book in a less technical form and with more attention to their bearing on some of the larger questions of religion and thought such as the Teaching of Jesus the Hope of Immortality and the Development of Christology I did not hesitate to make use of one or two paragraphs from the larger book and I think that my friend Mr C G Montefiore will forgive me for having borrowed two beautiful stories from his chapter in it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Landmarks in the History of Early Christianity, by Kirsopp Lake, ...* Kirsopp Lake, 1920

Catalog, 1926** Isabella Mitchell Cooper,Marion Horton,1926 *Landmark Essays in Mission and World Christianity* Robert L. Gallagher,Paul Hertig,2009 Gallagher and Hertig have collected a range of seminal articles and papers that offer students insight into thinking by the makers of modern mission and world Christian studies This is a priceless book for the classroom bringing between two covers the most important reflections on these issues in our age This marvelous book answers the prayers of teachers who have struggled for a generation with the problem of providing their students a resource that will offer an entre into the best thinking on the nature of mission and the emergence of world Christianity **Monuments of the Early Church** Walter Lowrie,1901 **Subject Index of the Modern Books Acquired by the British Museum in**

**the Years 1916-1920** British Museum. Department of Printed Books,1922      **The Earliest History of the Christian Gathering** Valeriy A. Alikin,2010 Recent research has made a strong case for the view that Early Christian communities sociologically considered functioned as voluntary religious associations This is similar to the practice of many other cultic associations in the Greco Roman world of the first century CE Building upon this new approach along with a critical interpretation of all available sources this book discusses the social and religio historical background of the weekly gatherings of Christians and presents a fresh reconstruction of how the weekly gatherings originated and developed in both form and content The topics studied here include the origins of the observance of Sunday as the weekly Christian feast day the shape and meaning of the weekly gatherings of the Christian communities and the rise of customs such as preaching praying singing and the reading of texts in these meetings      **Books of 1912-** ,1922      *The Journal of Religion* ,1921 Includes section Book reviews      Early Christian Manuscripts Thomas J Kraus,Tobias Nicklas,2010-09-10 The authors of the nine essays in this collection deal with individual or certain sets of manuscripts in order to demonstrate that approach and method are both crucial and pivotal aspects for a sound investigations Thus the essays serve as a variety of approaches destined by their topics but all of them concerned about acknowledged methods      *The Earliest Christian Meeting Places* Edward Adams,2013-10-24 Edward Adams challenges a strong consensus in New Testament and Early Christian studies that the early Christians met almost exclusively in houses This assumption has been foundational for research on the social formation of the early churches the origins and early development of church architecture and early Christian worship Recent years have witnessed increased scholarly interest in the early house church Adams re examines the New Testament and other literary data as well as archaeological and comparative evidence showing that explicit evidence for assembling in houses is not nearly as extensive as is usually thought He also shows that there is literary and archaeological evidence for meeting in non house settings Adams makes the case that during the first two centuries the alleged period of the house church it is plausible to imagine the early Christians gathering in a range of venues rather than almost entirely in private houses His thesis has wide ranging implications      **Subject Index of the Modern Works Added to the British Museum Library** British Museum. Department of Printed Books,1922      *A Record of St. Cybi's Church, Holyhead and the Sermon preached after its Restoration, 1879* Arthur Penrhyn Stanley,2021-05-19 In A Record of St Cybi s Church Holyhead and the Sermon preached after its Restoration 1879 Arthur Penrhyn Stanley offers a meticulous account of the historical and architectural significance of St Cybi s Church Stanley s scholarly approach intertwines rich descriptions of the church s features with a deep exploration of its restoration reflecting the Victorian era s reverence for heritage and spirituality His erudite prose is marked by an acute awareness of the interplay between history faith and community making the book a respected artifact that showcases the revival of ecclesiastical architecture in the late 19th century Arthur Penrhyn Stanley was not only an Anglican clergyman but also a prominent historian and scholar whose academic journey was molded by his

exploration of religious sites and texts His profound lineage and studies at Oxford combined with his commitment to ecclesiastical scholarship cultivated a lasting interest in the preservation of religious heritage Stanley s background informs his passionate portrayal of St Cybi s Church the very essence of his scholarly pursuits and devotion to architectural beauty shine through in his work This book is highly recommended for scholars historians and anyone interested in ecclesiastical architecture or Welsh heritage Stanley s insights provide valuable context for understanding the significance of St Cybi s Church making it an indispensable contribution to the field of church history Readers will not only gain knowledge about a specific cultural landmark but will also appreciate the broader implications of religious spaces within a community     *The Eerdmans Encyclopedia of Early Christian Art and Archaeology* Finney,2017 One of the most widely respected theological dictionaries put into one volume abridged form Focusing on the theological meaning of each word the abridgment contains English keywords for each entry tables of English and Greek keywords and a listing of the relevant volume and page numbers from the unabridged work at the end of each article or section     *Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...* British Museum,1922
