Schmidt Schreder

My summer was going great. I had just won the lottery and I was making lots of cash moving from place to place. I turned on the television just to see how my school was going to be open. Immediately my mind started racing. "We get vacation time? Will we really have a day off? I started to sweat just thinking about it. And my little sister would I have to baby-sit her every vacation? In my opinion, this new

summer sports will be great because of the new sports out in the summer. We simply cannot wait for baseball season during a school vacation. Making the best of it. I love baseball and I am excited to see what the school year will result in after the summer.
