THE PATH OF THE HOLY GRAIL Luigi Antonio Macrì,2024-11-05 This book is not so much an addition to the long

bibliography already existing on the subject but rather an examination of a particular element already present in the literary tradition of the Grail the arrival of the Marys in the south of France and the subsequent journey of Joseph of Arimathea to Glastonbury Wales Great Britain My intention is to focus among the many themes of the Grail mainly on the path of the Holy Grail that is the journey of the Marys from Palestine to their arrival in Provence in the south of France as told by Jacopo da Varazze or Varagine 1228 1298 and before him by Rabanus Maurus 776 856 Joseph of Arimathea is also mentioned as part of the group that starting from the south of France founded the first church in Great Britain on the plain of Glastonbury another extraordinary place with very strong ties to the Grail and the Arthurian cycle Some of the main characters such as Mary Magdalene and Joseph of Arimathea have been represented in a comparative way using the canonical and apocryphal gospels and some codices and documents found at Qumran

The Cult of Alien Gods Jason Colavito,2010-03-05 Fans of fantasy horror writer H P Lovecraft must add *The Cult of Alien Gods* H P Lovecraft and Extraterrestrial Pop Culture to their reading lists California Bookwatch Combining literary theory cultural criticism and muckraking Colavito aims to debunk alternative history He does a fair job of presenting his case using a great deal of textual analysis but believers will dismiss it as yet another attempt to suppress the truth while those who haven't been immersed in the literature are likely to be bewildered or indifferent the writing is engaging and the topic intriguing Publishers Weekly Nearly half of all Americans believe in the existence of extraterrestrials and many are also convinced that aliens have visited earth at some point in history Included among such popular beliefs is the notion that so called ancient astronauts visitors from outer space were responsible for historical wonders like the pyramids In *The Cult of Alien Gods* author Jason Colavito reveals for the first time that the entire genre of ancient astronaut books is based upon fictional horror stories whose author once wrote that he never wished to mislead anyone In this entertaining and informative book Colavito traces the origins of the belief in ancient extraterrestrial visitors to the work of horror writer H P Lovecraft 1890 1937 This amazing tale takes the reader through fifty years of pop culture and pseudoscience highlighting such influential figures and developments as Erich von Däniken *Chariots of the Gods* Graham Hancock *Fingerprints of the Gods* Zecharia Sitchin *Twelfth Planet* and the Raelian Revolution The astounding and improbable connections among these various characters are revealed along with the disturbing consequences of Lovecraft's little joke for modern science and public knowledge Beyond documenting Lovecraft's influence on ancient astronaut theories and Raelian cloning efforts Colavito also argues that the appeal of such modern myths is a troubling sign in an age when science is having its greatest success He suggests that at the dawn of the 21st century Western society is witnessing a deep seated erosion of Enlightenment values that are the basis of the modern world Jason Colavito is a freelance writer and editor who has written for *Skeptic* magazine among other publications

Killing for God Stephen Schwalbe,2020-07-15 Given the extremely high cost of overseas military operations today the author offers readers scholarly insights as to what motivates kingdoms countries and groups to

engage in religious conflict beginning with those found in the Hebrew Bible To do this he analyzes three related religions Judaism Christianity and Islam to determine their similarities and differences regarding the killing of people The areas of conflict analysis include Fundamentalism Proselytization Sacrifice to include martyrdom and Revenge to include genocide The insights of preeminent religious and political scholars are integrated into this comprehensive analysis of conflict involving religion leading to an answer to the ultimate question Is the killing worth it The Da Vinci Fraud Robert M. Price,2009-12-30 Was Leonardo Da Vinci a member of the Priory of Sion a secret society reaching all the way back to the Crusades Does his famous painting The Last Supper contain a hidden code about this society s most precious secret Did Jesus father children by Mary Magdalene What was the Holy Grail The best selling novel The Da Vinci Code by Dan Brown has stirred the popular imagination by cleverly interweaving theories about such questions with a fast paced fictional narrative Many readers have been so swept away by the drama of this murder mystery that they have accepted Brown s fictional reconstruction of Christian origins and medieval history as established fact New Testament scholar Robert M Price a member of the prestigious Jesus Seminar examines the creative uses of history in Brown s novel showing that however intriguing Brown s fictional speculations may be the real facts behind the novel are even more fascinating What does the best historical evidence say about the possibility that Jesus might have survived the crucifixion How did the Gospels come to be accepted as the established accounts of Jesus life and why were other Gnostic traditions suppressed How did the Roman Emperor Constantine figure in the development of Christian dogma What was Mary Magdalene s role in early Christianity and how was it adapted in later attempts to develop a sacred feminine element in Christianity These are some of the important questions about Christianity that Dr Price pursues in this engrossing discussion of Christian history Price combines sophisticated historical analysis with completely accessible and witty prose in this enlightening factually based analysis of Brown s speculative bestseller *The Fly in the Ointment: The Mysteries of Mary Magdalene* Jennifer Smith,2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now *An Outline of the Original Witchcraft* Joe Pelaez,2014-09-30 An Outline of the Original Witchcraft introduces the writings of various writers rejecting their contention that it evolved from a fertility cult Instead it contends it

emerged from the Goddess religion of ancient times It shows how the Roman authorities closed the temples forcing the craft to continue its practices in hiding It also presents the view that the three degrees correlate with the three sections of the Tree of Life Where Were You Before The Tree of Life? Volume 2 Peter R. Farley,2011-04-04 Volume 2 of 9 These books are the first to fully map out the history of alien interaction with the Earth past present and into the near future Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order **Lucifer's Testimony** Martin Luger,2018-10-04 Did you ever wish to find meaning and purpose in being human Have you been looking for a practical and solid understanding of life as a whole Is there something substantially more accessible to believe in or aim for other than religion Have you ever wondered whether there is an end goal to ensure that everyone s sacrifice and efforts are not in vain Lucifer s Testimony answers these questions and more and author Martin Luger will blow your mind and take you on an adventure that is far beyond mainstream human convention Luger documents his true story to discover his inner nature revealing that he is himself Lucifer And with the support of the heroic Nostradamus he has given explanation to his poetic visions within the perfect instant which is tempus temporis Nostradamus s prophecies are being revealed and they speak of a world that you never knew could exist There will only be one who is the Great Chyren and he who is known as Lucifer is more than you could ever dare to imagine Without a hint of a lie this is indeed Lucifer s testimony a story that exists to help ensure the preservation of the human race for all eternity
