UZ Days Dr. Ross Gordon Cooper,2019-08-06 Studies at the University of Zimbabwe were very challenging and most of
my time was devoted to revising making notes and completing assignments I never went to bed earlier than midnight Many
lecturers did not give us enough revision material and it was reliant upon us to source notes from library textbooks
Formulating and sticking to a study timetable was essential The exam pass mark was high and supplementary exams had to
be written There were practical and oral exams The food and drinks were good and wholesome I chose to live off campus and
this enabled me to also work part time at Chicken Inn particularly during the school holidays As I progressed into post
graduate studies following two years of teaching O and A Level I was employed as a laboratory and research assistant junior
lecturer and lecturer The UZ was badly affected by annual student riots power cuts and police and army interference
