Lady Dicks and Lesbian Brothers Kate Davy, 2010 Parody cross dressing zany comedy and unbridled eroticism at a women s theater space in the East Village *Lesbian Discourses* Veronika Koller, 2008-02-19 The study represents the first book length treatment of lesbian text and discourse focusing on the changing notions of lesbian community as expressed in non fictional texts published in the UK and the US between 1970 and 2004 **Killing Off the Lesbians** Liz Millward, Janice G. Dodd, Irene Fubara-Manuel, 2017-06-09 So the film or television lesbian character dies It seems to happen frequently But does it really If so is it something new Surveying the fates of numerous characters over decades this study shows that killing off the lesbian is not a new trend It is a form of symbolic annihilation and it has had an impact in real life When more women are working behind the scenes what appears on screen also becomes more diverse yet unhappily the story lines don t necessarily change From the Xenaverse to GLAAD to the Lexa Pledge fans have demanded better As fan fiction migrates from the computer screen to the printed page authors reanimate the dead and insist on happy endings *Lesbian and Gay Psychology* Beverly Greene, Gregory M. Domestic Violence Sandra Lundy,Beth Leventhal,1999-08-24 While a great deal has been written about domestic violence almost all of it focuses on the violence of men against their current or former wives or girlfriends Yet studies have shown that partner abuse is common and as severe among same sex couples as among heterosexual couples After years of willful or negligent silence the gay lesbian bisexual communities the battered women s communities academicians and even portions of the general public are beginning to realize that same sex domestic violence is a serious social and public health issue Unfortunately the social worker lawyer mental health professional police officer teacher or lay person who seeks to assist victims of same sex domestic violence quickly discovers the dearth of written resource material available There are very few books and only a smattering of articles that focus on same sex domestic violence Most of these works deal either with lesbian or gay male abuse but not both at once Moreover most of these works are devoted to explaining the fact of same sex domestic violence rather than discussing strategies for addressing it on both the individual and societal level This book examines a broad range of issues that confront victims of same sex domestic violence whether women or men and those who offer them services The goal is to provide a comprehensive resource book consisting of chapters by prominent professionals and activists on topics of practical concern to people who work with victims of same sex partner abuse Topics such as HIV and same sex domestic violence establishing safe home networks for battered gay men courtroom advocacy coalition building and sexual and dating violence prevention In each chapter authors are sensitive and responsive to multicultural issues and to broad issues of social oppression and avoid one size fits all assumptions and conclusions **The Global Emergence of Gay**
