doesn't take long to run smack into the one guy she'd given up on ever seeing again. It's been five years since Josh has sobered up, left his Hollywood lifestyle far behind and sheltered himself on his horse ranch in Santa Ynez, California. If it hadn't been for his family, he probably wouldn't be around to tell his story. When a beautiful brunette shows up at his cousin's vineyard, something in her spiteful eyes tells him their paths have tangled together before. As Josh discovers who Bri is, he finds himself falling for her. Will he find a way to convince her to trust him? And will she be able to let go of the past and move forward? When a traumatic event strikes, Bri will have to decide if she's going to let life continue to cripple her or set her free. *Tangled Paths* is a heartfelt contemporary romance with many laugh-out-loud moments and has a small-town feel. The characters have sizzling chemistry and don't shy away from sharing their pasts or their attraction to each other, but any intimate scenes fade to black and happen behind closed doors. *Tangled Vines, Island Crimes* Isabella Stewart, 2021-06-02

Isabella Stewart's *Tangled Vines, Island Crimes* is set in the quintessential seaport town of Edgartown on the island of Martha's Vineyard, seven miles off the coast of Cape Cod. In the summer, 120 thousand descend on the island, including many notable celebrities like Jackie Onassis, Barack Obama, Bill and Hillary Clinton. But come September, the island shrinks to its year-round population of seventeen thousand hardy souls, some of whom abound in criminal activities. Her first book in a series features Maria, the island's leading real estate broker who is determined at all costs to get accepted into the prestigious Yacht Club despite her Portuguese working-class background, and Rick, an attorney who takes advantage of Maria's greed and makes himself all-knowing. But when the pressures of her new marriage to a handsome off-islander make it more than necessary to keep her real estate sales flowing in, will it also make living life on the island and keeping him interested enough in her increasing wealth and lifestyle impossible? This is not a beach novel taking place in the soft summer winds; it is the flip side taking place in the off-season when the wild vines take hold of vacant summer properties and weaken their foundations, climb and strangle trees, and weave a cloth of deception that is stronger than twine. Written by someone who lives year-round in this place that only is accessed by boat or airplane, Stewart's accounts of island corruption and crimes are intense and truer than fiction that lead to death. She gives an insight into the dichotomy between the wealthy summer residents and the domestic and working-class lives of islanders: the good, the bad, and the almost unbelievable. *Tangled Up in Blue* Linda Steinberg, 2021-09-22

On his next case, when he finds Selena standing over a dead body, they agree to work together to catch a killer. Trey is by the book. Selena prefers to color outside the lines. Metropolitan Police Department Then as now police violence was constantly in the news The Black Lives Matter movement was gaining momentum protests wracked America's cities and each day brought more stories of cruel corrupt cops police violence and the racial disparities that mar our criminal justice system Lines were being drawn and people were taking sides But as Brooks made her way through the police academy and began work as a patrol officer in the poorest most crime ridden neighborhoods of the nation's capital she found a reality far more complex than the headlines suggested In *Tangled Up in Blue* Brooks recounts her experiences inside the usually closed world of policing From street shootings and domestic violence calls to the behind the scenes police work during Donald Trump's 2016 presidential inauguration Brooks presents a revelatory account of what it's like inside the blue wall of silence She issues an urgent call for new laws and institutions and argues that in a nation increasingly divided by race class ethnicity geography and ideology a truly transformative approach to policing requires us to move beyond sound bites slogans and stereotypes An explosive and groundbreaking investigation *Tangled Up in Blue* complicates matters rather than simplifies them and gives pause both to those who think police can do no wrong and those who think they can do no right *The Half-breed Rival, Or, The Tangled Trail* Joseph Edward Badger, 1887
