**Handbook of Research on Challenges for Human Resource Management in the COVID-19 Era** Figueiredo, Paula Cristina Nunes, Tomé, Eduardo Luís de Campos Soares, Rouco, José Carlos Dias, 2022-06-10. The importance of people in organizations has been growing in the organizational environment over the last decades. Digital transformation, artificial intelligence, and sustainability have already reinforced the role of people as a differentiating element for the success and survival of organizations. These phenomena alone are already challenging for people. There is a consensus that the world of work as we knew before the pandemic will not return. Human resource management (HRM) practices must prepare organizations for the future of work. The *Handbook of Research on Challenges for Human Resource Management in the COVID 19 Era* analyzes state of the art HRM in a digital transformation context and investigates the factors that promote more learning and development dynamics in organizational contexts. It also evaluates the impact of HRM policies on individuals, organizations, and societies. Covering topics such as corporate social responsibility, job satisfaction, and electronic performance monitoring, this major reference work is a crucial resource for leaders from public and private companies, human resource professionals, specialists, students, and educators of higher education, researchers, and academicians.

The Palgrave Handbook of Servant Leadership Gary E. Roberts, 2023-04-11. This reference work offers comprehensive perspectives on servant leadership. Featuring a cadre of leading world class scholars, practitioners, and contributing authors from diverse fields of inquiry, it aims to collate research on servant leadership with a particular focus on its moral and spiritual dimensions. It is divided into sections that center on topics such as character, philosophical influences, diversity, and inclusion, critiques of servant leadership, as well as examples of servant leaders. Though first introduced in the 1970 by Robert Greenleaf, the field of servant leadership is still lacking consensus on a definition and a theoretical framework. The goal of this reference work is to begin to fill this gap by assembling the scholarship of the top scholars in this field and providing a go to source for information on the theory and practice of servant leadership. This handbook will serve as an essential resource for researchers, scholars, and students of organizational behavior, human resource management, and business ethics, as well as consultants and business leaders interested in discovering the best leadership models to suit contemporary organizations.
