

A close-up, artistic photograph of a Viking man. He is wearing a traditional horned helmet with a chain hanging from the side. He has a beard and is looking down with a somber expression at a sword that is positioned diagonally across the frame. The background is a bright, hazy sky with a sun or moon, creating a golden glow. The overall mood is dramatic and historical.

twisted my hips this way and that to unbalance him but as time went on my efforts started to flag a little and then I gave up Both he and I watched each other's face for a few moments Breathing in breathing out His chest rose and fell and when he let go of my wrists instead of slapping at him or trying to stick my thumbs in his eyes I flattened my palms against the muscles above his navel My fingertips bounced over his rippled ridged stomach until I touched his What's this Hrolfgar's voice was thick and soupy but he was awake at least What's going on Vorix Why are you in my hey wait a minute Relax big man We're just warming up for the night He slipped a hand underneath my waist and when I started to speak he clamped hard I let out a little yelp and shut my mouth Get out of here fool the bigger man said She's Ragnar's Don't make a mistake you'll regret when you wake up hung over Oh that's a good one me with a hangover How was your nap Hrolf She isn't Ragnar's she's Canute's Or whatever that strange little princeling of his is named Ragnar just gave her a go around to make sure everything worked right Isn't that right Leta No I mmf mrf See She said yes What No she didn't you horse's ass She said What the frozen hell does it matter She's a slave Hrolf At some point the other two had apparently heard the commotion Hrolf Vorix I hope we're not interrupting a lover's quarrel Tyr laughed loud at his own joke No you broad nosed fool Vorix said eyes flaring I was sampling the wares that Ragnar dredged up and Hrolf decided to come chastise me about it For some reason he thinks I'm interested As he spoke Vorix began to curl his fingertips on my soft naked belly skin Now if you'll all shove off I can get on with it He shrugged in his easy carefree way And then you can have a go I suppose Who's to stop you Well Ragnar for one He's not going to be happy I was by then far too caught up in what seemed inevitable The lean clean faced Viking between my legs pushed his hips against me The tip of his cock threatened to dip inside and I have to admit even with the fear the terror that hung in the back of my mind the way he touched me made my toes curl See how she's acting You think she doesn't want this Ever since Ragnar broke her she's insatiable Vorix said Go on get out Or don't What do I care The hand on my belly stroked all the way up to my neck his thumb ran along my jaw and then he leaned to kiss me His lips were suitably rough and his kiss hard and desperate but behind all of his movements and his affections was a gentleness that surprised me His weight against my hips made me feel secure somehow even though I was well aware of his intentions and of the other three men that just stood around behind us as though there was nothing better to do
