Massey-Ferguson MF 35 Special, MF 35 Deluxe Tractor Owner's Manual Massey-Ferguson Ltd,1974 Juggernaut Drivers Leslie Purdon,2006-11-01 Leslie Purdon lives and breathes trucking Truck and Driver It s the 1970s Trucker Dennis Richardson Rich revels in the laughs and camaraderie of his life on the road He sets up a transport company North Kent with two pals Benny is the one with the short fuse Rich tries to calm him down when he s not winding him up The irrepressible Chuckles has his own way of dealing with tachographs and then there s the indispensable Jean the rock on which they rest The determined team go through humorous and sometimes extreme exploits as they strive to stay afloat They run legal when they can and cut corners when necessary gambling on the new Scandinavian trucks that are changing the industry They are cheated out of their earnings but still come up smiling *Starks' Harvesters* Robert S. White,2019-10-01 For Rob and Charlie this was the start of memorable years driving Massey Ferguson combines the length and breadth of the American wheat belt This is Rob s story a vivid account of endless hours of work rattlesnakes truck wrecks summer lightning tornados favourite bars and the honeys at the grain elevators Rob went on to do five years harvesting with Dale Starks who comes to life in these pages with all his wisdom and cussedness This is the man who starred in Yellow Trail from Texas the BBC documentary that first inspired Rob and Charlie to make the trip In England Rob was working as an agricultural contractor For him machines and harvesting were more than a way of life they were a passion This enthusiasm which brought Rob long lasting friendships from his American days illuminates every page of his book The Vodka-Cola Cowboy: Trucking Russia 1990 - 1995 Mick Twemlow,2020-05-01 The Vodka Cola Cowboy describes life trucking in what is possibly the harshest environment in the world Russia Between 1990 and 1995 British owner driver Mick Twemlow worked to transport goods to from and within Russia and the wider Soviet Union Living in Moscow with his future wife Elena and their daughter Margarita who was born there in 1992 Mick learned the language and fully immersed himself in Russian society giving him an insider s

view of this time of massive upheaval in the Soviet Union The book vividly illustrates the conditions that British truck drivers encountered such as the atrocious winter weather in a wild and unforgiving landscape police harassment and the dangers that came with the dissolution of the USSR Mick was the only British truck driver in Moscow throughout the whole of the anti Gorbachev coup of 1991 and so the book offers a unique perspective of that historical event The incidents described in the book range from the humorous to the serious to the potentially life threatening This book will primarily be of interest to truck drivers and those with an interest in road transport and the haulage industry in general Russia is still an unknown quantity all around the globe with regards to people s understanding of it and its people and so The Vodka Cola Cowboy will also be of interest to anyone who has a fascination with the country particularly during this tumultuous time in the region s socio political history
