Matthew S Miracle:

Choice Notes on the Gospel of S. Matthew (S. Mark) Drawn from Old and New Sources, 1869 **Fact and Faith** David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the resurrection accounts Throughout the author suggests significant themes for preaching **The Book of Miracles** Kenneth L. Woodward, 2001-07-10 Woodward offers an intellectually rich look at the five great religions foundational miracles and those of the later sages and saints **Dissertations upon the principles and arrangement of a harmony of the Gospels. 3 vols. Harrington, SJ, 2023-06-13 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew's Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew's debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies

Matthew's Christian-Jewish Community Anthony J. Saldarini, 1994-05-16 The most Jewish of gospels in its contents and yet the most anti Jewish in its polemics the Gospel of Matthew has been said to mark the emergence of Christianity from Judaism Anthony J Saldarini overturns this interpretation by showing us how Matthew far from proclaiming the replacement of Israel by the Christian church wrote from within Jewish tradition to a distinctly Jewish audience Recent research reveals that among both

Jews and Christians of the first century many groups believed in Jesus while remaining close to Judaism Saldarini argues that the author of the Gospel of Matthew belonged to such a group supporting his claim with an informed reading of Matthew's text and historical context Matthew emerges as a Jewish teacher competing for the commitment of his people after the catastrophic loss of the Temple in 70 C E his polemics aimed not at all Jews but at those who oppose him Saldarini shows that Matthew's teaching about Jesus fits into first century Jewish thought with its tradition of God sent leaders and heavenly mediators In Saldarini's account Matthew's Christian Jewish community is a Jewish group albeit one that deviated from the larger Jewish community Contributing to both New Testament and Judaic studies this book advances our understanding of how religious groups are formed **Matthew** Grant R. Matthew, Disability, and Stress Jillian D. Nelson, 2022-10-25 In *Matthew Disability and Stress* Examining Impaired Characters in the Context of Empire Jillian D Engelhardt examines four Matthean healing narratives focusing on the impaired characters in the scenes Her reading is informed by both empire studies and social stress theory a method that explores how the stress inherent in social location can affect psychosomatic health By examining the Roman imperial context in which common folk lived and worked she argues that attention to social and somatic circumstances which may have accompanied or caused the described disabilities impairs destabilizes readings of these stories that suggest the encounter with Jesus was straightforwardly good and the healing was permanent Instead Engelhardt proposes various new contexts for and offers more nuanced characterizations of the disabled impaired people in each discussed scene resulting in ambiguous interpretations that de-center Jesus and challenge able-bodied assumptions about embodiment disability and healing A Commentary on the Gospels Ronald Arbuthnott Knox, 1952
