Essentials Of Comparative Politics Fourth Edition:

Essentials of Comparative Politics Patrick H. O'Neil, 2012 The freshest most contemporary introduction to comparative politics *Introducing Comparative Politics* Stephen Orvis, Carol Ann Drogus, 2017-11-30 For Introducing Comparative Politics The Essentials the driving force is the pluralist objective stance on introducing students to core concepts in Comparative Politics Authors Stephen Orvis and Carol Ann Drogus introduce key comparative questions while providing equal strengths and weaknesses of commonly debated theories structures and beliefs that push students beyond memorization of country profiles and ever changing statistics and generate in class debate over key concepts used in the science of comparative politics While detailed case studies can go in depth on specific countries and political systems Introducing Comparative Politics The Essentials distills its country material into paragraph long examples woven seamlessly into the narrative of the text increasing diverse global awareness current event literacy and critical thinking skills *Doing Politics* Jacqui Briggs, 2014-11-27 Aimed at politics students in their final year of secondary education or beginning their degrees this highly readable book is the ideal introduction to politics Doing Politics is a detailed guide to both the study and the activity of politics which explores why we study politics what is involved in a politics degree and the skills and mindset that are needed to tackle the subject Key questions are answered including Just what is politics and how does it affect us Why does politics and why do politicians get a bad press How do we study non traditional forms of politics Assuming no prior knowledge this lively and engaging guide is the perfect introduction to the academic study of politics *Essentials of Comparative Politics* O'Neill, Patrick H., 2017-11-01 The 1 book for the course professors and students love Essentials of Comparative Politics because it provides clear concise coverage of core concepts for a low price The Sixth Edition applies core concepts to current events such as Brexit and the role of groups like ISIS **The Dynamics of Change in Modern World Politics** Jean Kachiga, 2018-04-04 In modern world politics there exists a dynamic of change and an observable pattern of phenomena These phenomena consist of driving forces of new paradigms that their exigencies induce of new epochs that such exigencies provoke of adjustments made by states who may be initiators new comers late comers or inactive and of shifts in the hierarchy of world powers that the differentiated rate of their adjustment success produces causing what power shift theory refers to as hegemonic transition This book examines the conditions under which such change occurs the recurrence of such change in various epochs of the modern era and the pattern that such recurrence displays in order to explain the recurrent shift in the hierarchy of wealth status and power among peer states *Global Issues in the Context of Space* Jean Kachiga, 2016-08-24 Global Issues in the Context of Spaces examines globalization using the concept of space to contextualize discussion of global issues The manuscript uses the concept of space to contextualize global issues because spaces are the theater of human activity Global issues result from specific dynamics emerging between people and their activities within specific spaces The growth of population the increase of human activity and the usage of new spaces explain

the complexity and challenges of global issues today *European Journal of Tourism Research* ,2020-03-01 The European Journal of Tourism Research is an open access academic journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as tourism management tourism marketing tourism sociology psychology in tourism tourism geography political sciences in tourism mathematics tourism statistics tourism anthropology culture and tourism heritage and tourism national identity and tourism information technologies in tourism and others are invited Empirical studies need to have either a European context or clearly stated implications for European tourism industry The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year There are no charges for publication The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism Complete CABI Leisure Recreation and Tourism ProQuest Research Library The journal is indexed in Scopus and Clarivate Analytics Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research The Routledge Handbook of Religious and Spiritual Tourism Daniel H. Olsen,Dallen J. Timothy,2021-07-29 The Routledge Handbook of Religious and Spiritual Tourism provides a robust and comprehensive state of the art review of the literature in this growing sub field of tourism This handbook is split into five distinct sections The first section covers past and present debates regarding definitions theories and concepts related to religious and spiritual tourism Subsequent sections focus on the supply and demand aspects of religious and spiritual tourism markets and examine issues related to the management side of these markets around the world Areas under examination include religious theme parks the UNESCO branding of religious heritage gender and performance popular culture pilgrimage environmental impacts and fear and terrorism among many others The final section explores emerging and future directions in religious and spiritual tourism and proposes an agenda for further research Interdisciplinary in coverage and international in scope through its authorship and content this will be essential reading for all students researchers and academics interested in Tourism Religion Cultural Studies and Heritage Studies **Issues and Methods in Comparative Politics** Todd Landman,Edzia Carvalho,2016-12-01 Building on the strengths of the third edition this highly regarded textbook continues to provide the best introduction to the strategies of

comparative research in political science Divided into three parts the book begins by examining different methods applying these methods to dominant issues in comparative politics using a wealth of topical examples from around the world and then discusses the new challenges in the area This thoroughly revised and updated edition features Additional contemporary case studies including the democratisation of technology and the Arab Spring Detailed discussion of regression analysis and diffusion More analysis of justice inequality and compliance Reflection on new methods and treatments of contemporary comparative politics Balancing reader friendly features with high quality analysis makes this popular academic text is essential reading for everyone interested in comparative politics and research methods

The Kurds and the Politics of Turkey Deniz Çifçi, 2019-08-08 The Kurds constitute the largest stateless nation in the world Their position in Turkey attracts attention both within the country and internationally particularly focusing on the demand for Kurdish independence Yet since the 1990s new Kurdish parties have formed within Turkey who have a variety of ideologies and demands that go beyond and differ in opinion on the question of independence Much of the present literature on the topic looks at the Kurds of Turkey as a homogenous group with unified political demands which over simplifies their position within the political backdrop of Turkey This book seeks to provide nuance and depth to the current debate on Kurdish political agency and presence in Turkey Presently the Kurds political demands can be classified into four categories democratic autonomy their cultural rights to be granted federalism territorial autonomies and independence creation of a Kurdish nation state In a broad sense these models can also be ordered into two categories territorial political models federalism and independence and non territorial political models democratic autonomy and cultural rights Considering the diversity within the Kurdish community intertwinement of tribal ethnic and national identity and differences in their language religion and ideology there are several contributing factors for the emergence of the current varied political demands of Kurds By explaining variation among the Kurds political demands through close analysis of existing and emerging parties this study challenges a deterministic approach to the Kurds which currently dominates the discourse
