

Et Il Neut Pas De Fin

Alfred G. Havet

Et Il Neut Pas De Fin:

Les Fins Dernières Selon Origène Henri Crouzel, 2024-10-28 This volume is concerned with the eschatology of Origen the great 3rd century theologian and philosopher of Alexandria Of all the doctrines attributed to him those on the resurrection of man and the end of days have evoked the most opposition and controversy from Antiquity to the Patristic scholarship of today Professor Crouzel argues that the thought of Origen himself has been consistently misunderstood and distorted from the time of Methodius of Olympia onwards and that renewed examination of Origen's own surviving writings can lead to a radically differing assessment of the orthodoxy of his views Among the particular points discussed are Origen's doctrine of Purgatory commonly supposed to be a particularity of the Latin Church and the relationship in his thought between the final purification at the end of time and the spiritual purification of existence here on earth Ce volume traite de l'eschatologie d'Origène le grand théologien et philosophe alexandrin du III^e siècle De toutes les doctrines qui lui sont attribuées ce sont celles sur la résurrection de l'homme et à la fin des jours qui ont provoqué le plus d'opposition et de controverse de l'Antiquité jusqu'à notre époque Le Père Henri Crouzel maintient que la pensée véritable d'Origène n'est constamment mal interprétée et corrompue et ce dès l'époque de Méthode d'Olympe Selon l'auteur un nouvel examen des écrits d'Origène peut mener une appréciation totalement différente de l'orthodoxie du théologien Parmi les points spécifiques débattus sont la doctrine d'Origène sur la purgatoire communément supposée être un domaine latin et sur le rapport dans ses pensées entre l'ultime purification de la fin des temps et celle d'ordre spirituel de l'existence ici-bas sur terre
