Romanticism is one of the most important historical events of all time. Unlike a lot of what gets called history romanticism isnt a war or a piece of technology or political event. (school of life.com). It refers to the birth of new set of ideas; its about a mindset and way of feeling. This essay will provide an analysis of the most effective phrases found in the nutting, I will also show how these are relevant to us today, this poem has two elements such as nature and human psyche. (Moodle)

In William Wordsworths nutting, in the first stanza the theme is nature ,William Wordsworth is carrying a huge wallet or a bag and a nutting-crook this is an implement used to harvest hazelnuts .William recalls how he chose to go about the farm from home to a distant woods while he walks ,he also imagine his very own appearance as being quaint and interesting. William Wordsworth is covered in a disguise of cost-off weeds. it seems a day this suggest that William Wordsworth was reflecting and remembering the past events and remembering a day he shall not forget as he leaves his cottage and headed to the woods, this is relevant to us today because till today there are events in which took place in the past and yet they are not forgotten ,they are remembered such as Apartheid where blacks lost their land but today blacks are fighting to get back the land.(www.school of life)

William Wordsworth was found moving oer the pathless rocks searching for his treasure. The dear nook unvisited keep a sense of purity and magic in the surroundings and William Wordsworth enjoy the natural setting of nature and more animalistic desires. but the hazels rose tall and erect, with milk-white clusters hung. A virgin scene!. the sexual imagery is strong in this passage maybe Wordsworth is presenting a desire of man to quell the land and its vulnerability personified here. One of the themes in the poem is The idealization of childhood in the eagerness of boyish hope William Wordsword enjoy the beauty of the scene and eat the nuts until his young mind had enough, this clearly depict that William enjoy and missed his childhood .this is relevant today because some of us still enjoy childhood memories and sometimes think about them often and wish to go back to that stress free life.
