

ALGEBRA - Part 2

PARTS 1 & 2 COMBINED COVER PRINCIPLES FOR BASIC, INTERMEDIATE AND COLLEGE COURSES

GRAPHING

REAL NUMBER LINE

Chart of the graphs, on the real number line, of solutions to one-variable equations:

SYMBOL & GRAPHIC NOTATION

= SYMBOL - CLOSED CIRCLE

Ex. $x = -2$

> SYMBOL - OPEN CIRCLE AND A RAY

Ex. $x > 4$

< SYMBOL - OPEN CIRCLE AND A RAY

Ex. $x < -1$

+ SYMBOL - CLOSED CIRCLE AND A RAY

Ex. $x \geq 3$

+ SYMBOL - CLOSED CIRCLE AND A RAY

Ex. $x \leq 2$

* Direction of ray is determined by picking (at random) a value on each side of the circle. Ray goes in direction of the point which makes the inequality true.

ABSOLUTE VALUE STATEMENTS

1. **Equalities:** To solve $|ax+b|=c$, where $c > 0$, solve both equations $ax+b=c$ and $ax+b=-c$, and graph the union of the two solutions.

2. **Inequalities:**

a. To solve $|ax+b|<c$, where $c > 0$, solve $ax+b<c$ and $ax+b>-c$; these two inequalities may be written as one $-c<ax+b<c$; graph the intersection of the two solutions.

b. To solve $|ax+b|>c$, where $c > 0$, solve $ax+b>c$ or $ax+b<-c$; graph the union of the two solutions.

RECTANGULAR (OR CARTESIAN) COORDINATE SYSTEM

Method, using two perpendicular lines (intersecting at 90 degree angles), for locating and naming points of a plane. The vertical line is the y-axis. The horizontal line is the x-axis. The point where they intersect is called the origin.

LOCATING POINTS (ORDERED PAIRS)

Each point on coordinate plane is named or located by using an ordered pair of numbers separated by a comma and enclosed in a set of parenthesis; first number is x-coordinate or abscissa; second number is y-coordinate or ordinate; that is, an ordered pair is of the form (x,y) . The origin is $(0,0)$.

QUADRANTS

The x-axis and the y-axis separate the plane into fourths. Each fourth is called a quadrant. The quadrants are labeled using Roman numerals, starting in the upper right section, and continuing counterclockwise through quadrants I, II, III, and IV (which is located in the lower right section).

• **DISTANCE FORMULA:** $d = \sqrt{(x-c)^2 + (y-d)^2}$

Finds distance between two points, (a,b) and (c,d) ; is derived from the application of the Pythagorean Theorem and always results in a non-negative number.

• **MIDPOINT FORMULA:** $\left(\frac{x_1 + x_2}{2}, \frac{y_1 + y_2}{2} \right)$

Determines the coordinates of the midpoint of a line segment with endpoints of (x_1,y_1) and (x_2,y_2) .

LINES

SLOPE OF A LINE

The slope of a line can loosely be described as the slant of the line. If the line slants up on the right end of the line then the slope will be a positive number. If the line slants up on the left end of the line then the slope will be a negative number. If the line is horizontal then the slope is zero. If the line is vertical then the line has no slope, it is undefined.

• **FORMULA:** If line is not vertical then slope (indicated by m) can be found using two distinct points $A = (x_1, y_1)$ and $B = (x_2, y_2)$ of the line and using x-coordinates and y-coordinates in the formula:

$$m = \frac{y_2 - y_1}{x_2 - x_1} = \frac{\text{change in } y}{\text{change in } x} = \frac{\text{rise}}{\text{run}}$$

• **PARALLEL:** The slopes of parallel lines are equal.

• **PERPENDICULAR:** The slopes of perpendicular lines are negative reciprocals. If the slope of L_1 is m_1 and the slope of L_2 is m_2 , and the lines are perpendicular then $m_1 = -1/m_2$ or $(m_1)(m_2) = -1$. EX: If the slope of a line is $-1/2$ then the slope of the line which is perpendicular to it is $+2$.

LINEAR EQUATIONS (EQUATIONS OF LINES)

1. Since the coordinate system has an x-axis and a y-axis, lines which intersect the x-axis contain the variable x in the linear equation; lines which intersect the y-axis contain the variable y in the linear equation; and, lines which intersect both the x-axis and the y-axis have both variables x and y in the linear equation.
2. **Slope-intercept form** of equation of a line is $y = mx + b$ where m is the slope of the line and b is the y-intercept (y-value of the point where the line intersects y-axis).
3. **Standard form** of the equation of a line is $ax + by = c$ where the number values for a , b , and c are integers (note that the b does not represent the y-intercept in this form).

GRAPHING

When equation of a line is known, it may be graphed in any of the following ways:

1. **Horizontal lines** have equations which simplify to the form $y = b$, where b is the y-intercept. The slope of these lines is zero.
2. **Vertical lines** have equations which simplify to form $x = c$, where c is the x-intercept. They have no slope.
3. **Find at least two points** which make the equation true and are therefore on the line. Finding a third point is one method of checking for errors. If all three points do not form a line then there is an error in at least one of the points. To find these points:
 - a. Choose a number at random.
 - b. Substitute the number into the linear equation for either the x or the y variable in the equation.
 - c. Solve the resulting equation for the other variables.
 - d. The randomly selected number (step a) and solution number (step c) result in one point: (x, y) .
 - e. Repeat above steps a through d above as indicated until the desired number of points have been created.
 - f. Plot points and connect them; resulting graph should be a line.
4. **Plot the x-intercept and the y-intercept.**
 - a. Substitute zero for the y variable in the equation and solve for x to find the x-intercept.
 - b. Substitute zero for the x variable in the equation and solve for y to find the y-intercept.
 - c. Plot these two points and draw the graph of the line which contains them.
5. **Write the equation in the slope-intercept form**, plot the point where the line crosses the y-axis (the b value); use the slope to plot additional points on the line (rise over run). Connect the points to draw the graph of the line.
6. **Find the slope of the line and one point on the line.** Plot the point first, then use the slope to plot additional points on the line. That is, count the slope as rise over run beginning at the point which was just plotted.

Excel 20session 2 Study Guide

RD Boyd

Excel 20session 2 Study Guide:

Thank you entirely much for downloading **Excel 20session 2 Study Guide**. Most likely you have knowledge that, people have look numerous period for their favorite books subsequent to this Excel 20session 2 Study Guide, but stop up in harmful downloads.

Rather than enjoying a fine book taking into consideration a mug of coffee in the afternoon, on the other hand they juggled considering some harmful virus inside their computer. **Excel 20session 2 Study Guide** is understandable in our digital library an online permission to it is set as public thus you can download it instantly. Our digital library saves in compound countries, allowing you to get the most less latency time to download any of our books once this one. Merely said, the Excel 20session 2 Study Guide is universally compatible afterward any devices to read.

Excel 20session 2 Study Guide Introduction

In today's digital age, the availability of Excel 20session 2 Study Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Excel 20session 2 Study Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Excel 20session 2 Study Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Excel 20session 2 Study Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Excel 20session 2 Study Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Excel 20session 2 Study Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Excel 20session 2 Study Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Excel 20session 2 Study Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Excel 20session 2 Study Guide books and manuals for download and embark on your journey of knowledge?

FAQs About Excel 20session 2 Study Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Excel 20session 2 Study Guide is one of the best book in our library for free trial. We provide copy of Excel 20session 2 Study Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Excel 20session 2 Study Guide. Where to download Excel 20session 2 Study Guide online for free? Are you looking for Excel 20session 2 Study Guide PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Excel 20session 2 Study Guide. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Excel 20session 2 Study Guide are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Excel 20session 2 Study Guide. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Excel 20session 2 Study Guide To get started finding Excel 20session 2 Study Guide, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Excel 20session 2 Study Guide So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Excel 20session 2 Study Guide. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Excel 20session 2 Study Guide, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Excel 20session 2 Study Guide is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Excel 20session 2 Study Guide is universally compatible with any devices to read.
