Kisner,Andrew Youpa,2014-04-17 Thirteen original essays by leading scholars explore aspects of Spinoza s ethical theory and in doing so deepen our understanding of the richly rewarding core of his system Given its importance to his philosophical ambitions it is surprising that his ethics has until recently received relatively little scholarly attention Anglophone philosophy has tended to focus on Spinoza s contribution to metaphysics and epistemology while philosophy in continental Europe has tended to show greater interest in his political philosophy This tendency is problematic not only because it overlooks a central part of Spinoza s project but also because it threatens to present a distorted picture of his philosophy Moreover Spinoza s ethics like other branches of his philosophy is complex difficult and at times paradoxical The essays in this volume advance our understanding of his ethics and also help us to appreciate it as the centerpiece of his system In addition to resolving interpretive difficulties and advancing longstanding debates these essays point the direction for future research Spinoza s enduring contribution to the development of ethical theory to early modern philosophy and indeed to early modern history generally provide us with good reason to follow the lead of these essays *NLT Life Application Study Bible, Third Edition (Leatherlike, Purple, Red Letter)* Tyndale,2021-05-04 Winner of the 2020 Christian Book Award for Bible of the Year Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today s 1 Selling Study Bible Now

Vanterpool,2017-11-06 Thus Spoke the Preacher By Rudolph V Vanterpool Vanity of vanities says the Preacher vanity of vanities all is vanity This startling beginning to the Book of Ecclesiastes has troubled and confused scholars for thousands of years How could the Bible espouse such a nihilistic view of the life God has created for us Rudolph V Vanterpool examines this question forcefully and passionately in Thus Spoke the Preacher Solomon s Cosmic Gaze from Under the Sun Written by the wisdom gifted King Solomon Ecclesiastes is an important part of the Bible s Wisdom literature Solomon begins by probing the conclusions that people come to based upon their personal observations and knowledge We are all filled with longings for peace and justice that this earthly world with its fleshly comforts cannot satisfy If mortality is vanity then how do we find meaning By remembering that we are mortal beings from the standpoint of our temporal lives our bodily existence is only a season while our indwelling soul never dies When we turn our gaze from the world around us to the Heavenly realm we will find the answer to our needs Thus Spoke the Preacher is no dry academic tome Instead it is a lively personal and searching study for God s presence in our world We have not been abandoned in a maze of despair Solomon is not a prophet of doom he is a prophet of hope showing us the way out of existential cruelty Solomon s own writings on power wealth and the nature of death presage Jesus own teachings of our rightful place in the world How to find meaning in a seemingly arbitrary world has plagued humanity for millennia Vanterpool reminds us if we truly listen and really look we will find our answer Some scholars see philosophy and scripture as rivals or opposing ways of pursuing truth Not Rudolph V Vanterpool In his new book he combines philosophical insight with biblical exegesis giving an expansive view of the wisdom articulated in the book of Ecclesiastes Vanterpool draws on decades of reading the philosophical tradition as well as a range of biblical scholarship popular Christian spirituality and even an evident love for comic strips Thus Spoke the Preacher will be illuminating for those on a philosophical path those on the path of faith and those for whom these two callings converge Dr
