

# An Abandoned Bundle

The morning mist  
and chimney smoke  
of White City Jabavu  
flowed thick yellow  
as pus oozing  
from a gigantic sore.

It smothered our little houses  
like fish caught in a net.

Scavenging dogs  
draped in red bandanas of blood  
fought fiercely  
for a squirming bundle.

Benis,2000-03-02 Romanticism on the Road challenges critical orthodoxy by arguing that Wordsworth rejected the political dogmas of his age Refusing to ally with either radicals or conservatives after the French Revolution the poet seizes on vagrants to attack the binary thinking dominating public affairs and to question the value of the Georgian domestic ideal Drawing on current and historical discussions of homelessness the study offers a cultural history of vagrancy and explains why Wordsworth chose the homeless to bear his message      **Arizona Bandits, Bushwackers, Outlaws, Crooks, Devils, Ghosts, Desperadoes and Other Assorted and Sundry Characters!** Carole Marsh,1994      **Divine Play** Thomas Palotas,2004 Divine Play is the story of the God realization of Shivabalayogi one of the great spiritual masters of the 20th Century It also describes how a yogi evokes spiritual awareness through direct experience      *The Sexual Life of Our Time in Its Relations to Modern Civilization* Ivan Bloch,2021-04-22 The author s aim in writing this book was to write a complete Encyclop dia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormals should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity      **Animist Poetics** Ryan Topper,2025-08-01 Argues that African literature conceptualizes trauma and regeneration as a more than human process offering an animist revision of psychoanalysis Psychoanalytic trauma theory largely disregards African perspectives Postcolonial criticism often filters these perspectives through a secular humanist lens Examining how African literature uses animism to address the traumas of colonization Animist Poetics offers a new understanding of the postcolonial condition From an animist viewpoint the self is not an

individual but rather a regenerative process linking the living the dead and their ecosystems Looking at poetry fiction drama and visual art including archival manuscripts by Wole Soyinka and Yvonne Vera Ryan Topper argues that African literature reinvents these Indigenous ecologies in uniquely modern ways Animist Poetics takes Indigenous and literary knowledge seriously rethinking the foundations of psychoanalysis and charting new theoretical paths in posthumanism the environmental humanities new materialism biopolitics and memory studies **Baltic Belles** Elle-Mari Talivee,2020-04-30
