Fabric Junkies Guide:

The Crime Junkie's Guide to Criminal Law Jim Silver, 2007-12-30 Historically prime time television has devoted at least one third of its programming to crime The extreme popularity of crime shows continues unabated From Law Order to CSI Americans are riveted by crime TV Court TV and other cable channels produce true crime series too that take viewers through both current crimes and trials and cold cases Yet despite efforts in these shows to depict real investigative and legal techniques chances are viewers have questions about criminal procedure legal issues and related concerns For instance why do police get angry when a suspect just asks for a lawyer Or what s the difference between being an accomplice to a crime and being a conspirator The Crime Junkie s Guide to Criminal Law is written specifically for the millions of crime junkies who make up the audiences for the variety of crime dramas both real and fictional that blaze across our screens night after night The news media know that crime is inherently interesting because it involves things we all understand like passion greed revenge and the urge to make very close friends in prison Television broadcasts and major magazines drip with salacious details about the infamous evildoings of the moment From the sports to the style sections newspaper headlines scream out reports of the latest celebrity picked up for one transgression or another This one of a kind book is an indispensable guide to criminal law that uses actual trials alongside plots and characters from popular television shows to illustrate criminal law issues like degrees of murder the defense of intoxication search warrants insanity pleas and the purposes of various pretrial hearings Silver offers a concise informative and entertaining explanation of everything readers need to know to truly appreciate crime stories real and fictional and understand how criminal law really works
