Electric Pressure Cooker Cookbook Vanessa Olsen, 2017-09-05

Do you wish you could cook more meals at home but you re too overwhelmed by life

Have you tried slow cookers in the past and are either too confused or just not impressed by the results

Pressure cooking has been around for centuries but for many the method remains a complete mystery

It was used a lot during the Great Depression but since the era of fast and frozen food took over pressure cooking has been mostly used in countries like India and the Middle East

It is time to bring pressure cooking back into the American mainstream and see the greatness that is being offered through electric pressure cookers which represents the method s shining moment

Pressure cooking works by tightly sealing food and liquid inside an airtight pot

The built up pressure actually raises the boiling point of water speeding up the cooking process

This speed preserves more of the nutritional value of food making pressure cooking the healthiest cooking method there is

Using the electric pressure cooker
