Shriver, Bobbe Burke, 2025-10 Across the United States many institutions are striving to acknowledge and repair oppressive pasts and unequal presents even as Indigenous communities are struggling to reclaim and revitalize the philosophies and knowledges of their elders *Our People Believe in Education* explores the stories of the Miami Tribe of Oklahoma and Miami University to show how two organizations with almost nothing in common aside from the name Miami have collaborated to support Indigenous language and cultural revitalization Founded in 1809 Miami University is a midsize public university in Oxford Ohio on land that once belonged to the Miami Tribe The Miami Tribe of Oklahoma was like many tribal nations forcibly removed from its homelands and is now headquartered in northeast Oklahoma Cameron M Shriver and Bobbe Burke provide a reflective examination of why a relationship developed between the two entities despite significant geographical and ideological hurdles and how that partnership has evolved since 1972 when Myaamia chief Forest Olds first visited Miami s university campus in his nation s homeland This intimate history of a tribe and a university struggling to reconcile colonial education with Indigenous survival offers a jumping off point for new conversations in and between these two spheres *A new dictionary of the French and English languages compiled from the dictionaries of the French Academy, Bescherelle, Littré, Beaujean, Bourguignon, etc., etc., and from the most recent works on arts and sciences* Ebenezer Clifton, Adrien Grimaux, 1889 *The Everyday Leader* Hema Crockett, Michael Crockett, 2021-08-24 The *Everyday Leader* breaks down the 14 Marine Corps Leadership Traits uses actual stories from real military leaders to bring these traits to life before defining and connecting them back to how they apply in the business world and to the everyday leader The *Everyday Leader* isn t a magic wand to turn people into an incredible leader overnight However it does promise that if the advice that is given is followed and these 14 traits are put into practice and leadership traits are developed then readers will evolve into the type of leader who succeeds in business and in life The *Everyday Leader* also takes readers behind the curtain of the US Marine Corps and into the lives of the leaders who help protect their freedom every single day Men and women who lead through war and times of peace whose leadership traits and principles are taught from the moment they enter bootcamp and whose values they carry long after they leave the military These 14 leadership traits aren t just concepts these traits are meant to encourage leaders to establish their own leadership traits that convert to actions and actual strategies to
