Festive in Death J. D. Robb, 2014-09-09 The kitchen knife jammed into his cold heart pinned a cardboard sign to his well-toned chest It read Santa Says You've Been Bad Ho Ho Ho It's Christmas but Lieutenant Eve Dallas is in no mood to celebrate While her charismatic husband Roarke plans a huge glittering party Eve has murder on her mind The victim personal trainer Trey Ziegler was trouble in life and is causing even more problems in death Vain unfaithful and vindictive Trey had cultivated a lot of enemies Which means Eve has a lot of potential suspects And when she and Detective Peabody uncover Trey's sinister secret the case takes a deadly turn Christmas may be a festival of light but Eve and Roarke will be forced once more down a very dark path in their hunt for the truth [Lives of the Queens of England from the Norman Conquest](#), 1854 The English writer Agnes Strickland 1796-1874 began her career writing poetry and romances before turning to biographical studies This eight volume series written in collaboration with her sister Elizabeth and first published between 1840 and 1849 was her most ambitious project It provides biographical accounts of the queens of England from Matilda of Flanders to Queen Anne Hugely popular in the Victorian period Lives of the Queens of England and its sequel Lives of the Queens of Scotland remain important landmarks in the development of biography as a genre and provide interesting perspectives on women's contribution to modern historiography Volume 8 focuses on Queen Anne 1665-1714 portraying her gentle and indulgent temperament and describing the political turmoil of her reign For more information on these authors see http://orlando.cambridge.org/public/svPeople/person_id/striel and http://orlando.cambridge.org/public/svPeople/person_id/striag **Journey to the Empty Tomb** Paula Gooder, 2014-03-28 Journey to the Empty Tomb is the first in a new series from bestselling author Paula Gooder that opens up the best of biblical scholarship It focuses on the events leading up to the first Easter the Gospel accounts of the death and resurrection of Jesus that are at the very heart of the Christian faith Beginning with the triumphal entry into Jerusalem and ending at the empty tomb Paula uses her extensive knowledge of the world of the New Testament its language and culture to reveal fresh and startling insights and to open up hidden depths in these familiar stories Accessible and informed it is aimed at all who wish to gain a fuller understanding of the Bible's key themes and subjects It is rooted in the conviction that greater understanding leads to deeper devotion and will be invaluable for preachers worship and study group leaders looking for fresh inspiration at a key time in the church's year [Pindar and the Cult of Heroes](#) Bruno Currie, 2010-04-29 Pindar and the Cult of Heroes combines a study of Greek culture and religion hero cult with a literary critical study of Pindar's epinician poetry It looks at hero cult generally but focuses especially on heroization in the 5th century BC There are individual chapters on the heroization of war dead of athletes and on the religious treatment of the living in the 5th century Hero cult Bruno Currie argues could be anticipated in different ways in a person's lifetime Epinician poetry too should be interpreted in the light of this cultural context fundamentally this genre explores the patron's religious status The book features extensive studies of Pindar's Pythians 2 3 5

My Body Given for You Helmut Hoping ,2019 The Eucharist originated at the Last Supper of Jesus with his disciples It is based on the prayer of thanksgiving that Jesus pronounced over the bread and wine at that meal Eucharist means thanksgiving praise and blessing The Church celebrates the Eucharist as a memorial of the death and Resurrection of Jesus Christ which is more than a remembrance of the Last Supper of Jesus with his disciples In the Eucharist the sacrifice of our redemption becomes present sacramentally In the past dogmatic theology has treated the meaning of the Eucharist while disregarding the form of its liturgical celebration whereas liturgical studies have been content with only the latter Yet the two cannot be separated any more than liturgy and dogma or pastoral practice and doctrine can be understood without the other The Church s liturgy is not something external to Christian revelation but rather as Joseph Ratzinger said revelation accepted in faith and prayer In this work Helmut Hoping combines the approaches of dogmatic theology and liturgy while examining the Eucharist from a historical and systematic perspective This new English translation of the second German edition of this major work revised and expanded includes a comparative analysis of the Second Eucharistic Prayer and a chapter on the theology of the words of institution **A Selection of Hymns, for Sunday Schools, including hymns on festival and other occasions** ,1820 **The Object as a Process** Stephan Schmidt-Wulffen,German A. How does artistic practice lead to the production of knowledge How does in turn artistic knowledge relate to its material base How does contingent materiality guide the artist towards finding form and developing a statement This volume is dedicated to the object as a process in order to offer new insights into the ways the object broadly construed comprising digital and other non classical objects becomes an active element in artistic practice **Memoir of the Egypt Exploration Fund** ,1900 **The Musical World** ,1861 *The Festive State* David M. Guss,2001-01-02 If as David Guss argues culture is a contested terrain with constantly changing contours then festivals are its battlegrounds where people come to fight and dispute in large acts of public display Festive behavior long seen by anthropologists and folklorists as the uniform expression of a collective consciousness is contentious and often subversive and *The Festive State* is an eye opening guide to its workings Guss investigates the ideology of tradition combining four case studies in a radical multisite ethnography to demonstrate how in each instance concepts of race ethnicity history gender and nationhood are challenged and redefined In a narrative as colorful as the events themselves Guss presents the Afro Venezuelan celebration of San Juan the neo Indian Day of the Monkey the mestizo ritual of Tamunangue and the cultural policies and products of a British multinational tobacco corporation All these illustrate the remarkable fluidity of festive behavior as well as its importance in articulating different cultural interests The Royal Tombs of the First Dynasty William Matthew Flinders Petrie,Francis Llewellyn Griffith,1900
