The Journey of My Life Finding the American Dream Okwudili Ani, 2024-10-28 We all know that it is the dream of every young Nigerian man to make it in life regardless of what it costs him. This book depicts just the level they can go to get rich so as to get out of that horrific situation. Sometimes some take unnecessary risks in order to get out of that situation and that is exactly what the author did. Fortunately for him, he beat all the odds and was able to make it in the United States of America. It was not as easy as it seems because many people tried through various means and ways but ended up dying either in the deserts or drowning in the Mediterranean Sea trying to make it to Europe. Most of the time it is not the fault of these migrants but the fault of the government that has refused to provide any means of survival for these young men. It is almost thirty years that I have left the country and the situation has not changed for any better. As the saying goes, And the beat goes on. If you can't beat them, you either join them or try your luck like Okwudili. **Journey**

**Interrupted** Hildegard Mahoney, 2016-04-05 In the midst of World War II, a German American family finds themselves stranded in Japan in this inspiring tale of an extraordinary family adapting to the hazards of fate and finding salvation in each other. In the spring of 1941, seven-year-old Hildegard Ercklentz and her family leave their home in New York City and set off for their native Germany where her father has been recalled to the headquarters of the Commerz Privat Bank in Berlin. It was meant to be an epic journey crossing the United States, the Pacific, and Siberia, but when Hitler invades Russia, a week-long stay in Yokohama, Japan, becomes six years of quasi-detention as Hildegard and her family are stranded in Japan until the war's end. In this spellbinding memoir, Mahoney recounts her family's moving saga from their courage in the face of terrible difficulties, including forced relocation, scarce rations, brutal winters in the Japanese Alps, to their joyous reunion with their German relatives in Hamburg and their eventual return to New York City in 1950. Richly detailed and remarkably vivid.

Ndanguzi, 2024-01-23 How we decide to confront our inner fears is the person we become. Who had Jonathan become? Ethiopian Airlines flight 961 plunges into the Indian Ocean, leaving 10-year-old Jonathan and his 3-year-old brother Richie fatherless with a distant and neglectful mother. Emotional and financial insecurity becomes Jonathan's childhood. As an adult, Jonathan strives for a better future, but Richie turns to alcohol like his mother. Despite his efforts, Jonathan feels as if forces around him ensure he keeps experiencing the same emotions of fear and insecurity. He then loses his job, and his girlfriend Emilie simultaneously. This satisfies Beatrice, Emilie's best friend, who has always had something against Jonathan. When he gets a new job, it comes with Peter, a supervisor from hell bent on getting rid of him, and Jonathan has no idea why. What was Peter's story? Why is he constantly fighting to survive? Inevitably, everything
