The moment he laid eyes on Nia he was smitten. He couldn't get her out of his head and when his family returned from years in Germany he saw an opportunity to bring them together. He made the tough decision to marry her but it turned out to be the best decision he had ever made. Nia was unlike anyone he had ever met with her rich chocolate toned skin and caramel eyes that he could get lost in for hours. Their marriage was a charade but with each passing day they were slowly building a life together. It was a risky game but they were both willing to play it. Nia knew that their relationship would never be fully accepted by society but she didn't care. As long as she had him by her side she could face anything. And who knows. Maybe just maybe their love could overcome all obstacles and they could have a happily ever after. *Forced Marriage: Boss Loves Me Too Much* Yan SiYe, 2020-04-30
