The Geography of Uzbekistan Lola Gulyamova, 2022-12-02 This book describes the geography of Uzbekistan and its unique history and culture It focuses on the development of Uzbekistan as a result of its location on the crossroads of the Silk Road The influence of global and regional environmental challenges on the current landscape and similar issues are discussed and analyzed from a historical perspective Contemporary tensions and reforms in social economical and cultural life are described with the aim to draw a picture of modern paths to transformation and development The Geography of Uzbekistan includes also information on geology nature and natural resources in particular water The book discusses the social and environmental impacts of the Aral Sea disaster and shows new paths of transformation and development for this Central Asian country

The Rise and Fall of Civic Education Michael Learn, 2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it The Rise and Fall of Civic Education The Battle for Social Studies in a Shifting Historical Landscape investigates the changing definitions and purposes ascribed to social studies in the United States through time This result is viewed through the rising tensions from culture wars as America s divisive politics fight to control the narrative of the disciplines within social studies
