Experts, 2019-09-02 *Chinese Migrants and Africa's Development* Doctor Ben Lampert, Doctor May Tan-Mullins, Daphne
Chang, Giles Mohan, 2014-06-12 China's recent stepping up of relations with Africa is one of the most significant
developments on the African continent for decades For some it promises an end to Africa's dependent aid relationships as the
Chinese bring expertise technology and a stronger business focus But for others it is no more than a new form of imperialism
This book is the first to systematically study the motivations relationships and impact of this migration It focuses not just on
the Chinese migrants but also on the perceptions of and linkages to their African hosts By studying this everyday interaction
we get a much richer picture of whether this is South South cooperation as political leaders would have us believe or a more
