The Gamer's Guide to International Relations Michael A. Allen, 2025-02-15 Ready Player One meets Foreign Affairs everything your students need to know about international relations through the lens of video games The Gamer's Guide to International Relations uses massively popular video games as a stepping stone to learning about international relations The study of international relations concerns itself with critical topics like war civil war terrorism human rights trade monetary policy and the environment Each of these areas of human need crisis and response can be difficult to understand However gamers already implicitly understand the international world through the games they play Drawing upon lessons gamers learn through gameplay this volume guides readers as to how their existing knowledge can help untangle some of the most complicated topics facing humanity The book progresses by introducing readers to how scholars use the scientific method in international relations Readers will encounter pivotal international relations theories that explain why war occurs like realism liberalism and constructivism as well as understanding concepts like the bargaining model of war The book discusses how we learn about international politics and guides the reader through how we can research world politics and gaming Finally the book focuses on key interest areas like international political economy human rights the environment and civil war

Guild Wars: Edge of Destiny J. Robert King, 2010-12-28 Destiny Called They Answered In the dark recesses of Tyria elder dragons have awoken from millennial slumbers First came Primordus which stirred in the Depths forcing the asura to flee to the surface Half a century later

Jormag awoke and drove the norn from the frozen climes of the Northern Shiverpeaks corrupting sons and brothers along the way A generation later Zhaitan arose in a cataclysmic event that reshaped a continent and flooded the capital of the human nation of Kryta The races of Tyria stand on the edge of destiny Heroes have battled against dragon minions only to be corrupted into service of the enemy Armies have marched on the dragons and been swept aside The dwarves sacrificed their entire race to defeat a single dragon champion The age of mortals may soon be over This is a time for heroes While the races of Tyria stand apart six heroic individuals will come together to fight for their people Eir the norn huntress with the soul of an artist Snaff the asuran genius and his ambitious assistant Zojja Rytlock the ferocious charr warrior in exile Caithe a deadly sylvari with deep secrets and Logan the valiant human guardian dealing with divided loyalties Together they become Destiny's Edge Together they answer the call But will it be enough
