

# National Junior Honor Society Essay

My name is Trinity Allen, and I am a 13-year-old girl. I stay in Ohio Columbus. I attended Finland Middle School currently in 8th grade. It is a great honor for me to be selected by my teachers to be a candidate to be a member of the National Junior Honor Society. Being selected provides me with an excellent opportunity to be part of NJHS and share my leadership skills. The four pillars (leadership, character, scholarship, and service) of NJHS are the qualities that guide me in my daily activities, combined with honesty, hard work, trustworthy, caring and fairness I can become a valuable member.

My scholarship skill is demonstrated by school work reports and the comments from the teachers; my good grades are as a result how I organize my time and make sure that I finish my homework every day, my favorite subjects are mathematics, music, and sciences. My priority is to put a lot of effort in all my school work. I listen to my teacher's advice and instructions, and this has enabled to avoid trouble with my teachers which allows me to attend all lessons.

Apart from my academic grades being good, I am also a member of my school's student council; this demonstrates that my teachers and students have seen my leadership skills and that I use them for the benefit of all around me. I also love music, and I am a member of a jazz band where I am the leader, we spend a lot of time together practicing and I have been able to make all band members happy by involving when we are making decisions of the band like when our next meeting will be. Due to my hard work in the band, I have been invited to be part of the honor band at the Ohio State University. I believe the two examples help me demonstrate my leadership skills.

I love being useful to my community and using my services to help in the community in various activities. Each year I work 25 hours by volunteering at the Columbus Park of rose and herb garden. I love the environment, and by offering my services, I ensure that the park is kept well for the benefit of the people who visit there.

I believe that I have demonstrated how the four pillars of NJHS are part of my qualities; my grades show my dedication and personal qualities which will enable me to serve and meet all expectations of NJHS.
