Loken,2010 The Old Testament Prophetic Books An Introduction is a valuable reference tool designed for those students who want a comprehensive guide to the Old Testament prophetic books The book serves primarily as an introduction providing a thorough discussion of introductory matters such as authorship date historical background purpose structure and outline The book also functions as a sort of survey handbook providing a summary of the contents of each book accompanied by helpful background information such as the meaning of character s names and the dates of significant events Finally the book acts as a study guide providing a series of study questions at the end of each chapter for review and discussion Israel P Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies He is also Adjunct Professor of Bible Exposition at Dallas Theological Seminary He previously taught at Dallas Christian College Dr Loken has earned degrees from Lancaster Bible College B S and Dallas Theological Seminary Th M and Ph D He is a frequent speaker at churches conferences and schools He is the author of the Loken Expositional Commentary series Dr Loken and his wife Kimberley live in Houston TX [The Lost Message of the End Times](#) Ian Miller,2021-08-05 The second coming is perhaps the most confusing controversial and contentious of biblical doctrines In The Lost Message of the End Times Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus s return As he does so he brings their powerful hope filled faith inspiring and life changing message to life With clear and easily understood explanations this book will show you how the Scriptures reveal a world of promise not fear a kingdom present not to come and the powerful bride as she is not one that needs to be raptured away [Hosea's God](#) Mason D. Lancaster,2023-08-11 The book of Hosea is a labyrinth of juxtaposed images for God and God s people with such disparate metaphors as God the devouring lion and God the reviving dew In Hosea s God A Metaphorical Theology Mason D Lancaster demonstrates that recent advances in metaphor theory help untangle these divergent portrayals of God He analyzes fifteen metaphor clusters in Hosea 4 14 individually then discerns patterns and reversals between the clusters Finally respecting the ancient value for emphasizing individual aspects of a depiction over a homogenized picture of the whole the book identifies five characteristics of God prominent among the metaphors of Hosea Based on this analysis Lancaster asserts that Hosea s metaphorical depiction of Yahweh ultimately derives from the primacy of Yahweh s fidelity to Israel *Bible Summary for Catholics* Michael Kotch,2020-09-14 Bible for Catholics gives its reader a detailed overview of the major events and teachings of all the books in the Catholic Bible God s interaction with man is unveiled chapter by chapter as every book in the Catholic Bible is presented in a summary fashion for the reader Starting with creation in the book of Genesis Bible for Catholics takes its reader through the whole biblical history of the relationship of God and mankind right up to God establishing a new heaven and a new earth in the future in the book of Revelation At the completion of Bible

for Catholics the reader will have a great understanding of all the major points of the Bible and how all the events Bible books are connected in God's grand plan for mankind. Codeveloped with a Catholic priest Bible for Catholics has received Nihil Obstat and Imprimatur status stating that it is considered to be free from doctrinal or moral error by the Catholic Church. Bible for Catholics is written in a clear and easy to understand manner. This makes it an excellent resource to teach an overview of the Bible to readers ranging from eighth grade through adulthood. [Bible Summary for Adults and Students](#) Michael Kotch, 2020-11-25 Bible for Adults and Students is an excellent resource to get a complete overview of all the major events and teaching of the Bible in a connected chronological format. The majority of the scripture in the Bible is stories of the lives of its main characters: the story of Adam and Eve, the story of Abraham and his descendants, the story of Moses, the story of Jesus etc. Bible for Adults and Students presents most of its information just as the Bible presents most of its information which is story after story of the lives and events of every major character in the Bible but in summarized form. Almost all the characters in the Bible are chronologically connected and Bible for Adults and Students takes its reader on a connected journey from the events of Adam and Eve all the way through to the return of Jesus Christ in the book of Revelation. When the reader finishes Bible for Adults and Students he or she will have a comprehensive knowledge of all the major events and teachings of the Bible, an understanding of how all the characters chronologically form a connected storyline of events from Adam and Eve to the Second Coming of Jesus, and an understanding of how everyone and everything in the Bible points to the need of Jesus as our Savior. Bible for Adults and Students is a fantastic textbook to teach high school students a comprehensive overview of the Bible and it is a great tool for any adult to learn about all the connected events in the Bible in a clear and easy to understand format. **A Memorial of Francis Barham** Francis Foster Barham, 1873

Covenant and the Metaphor of Divine Marriage in Biblical Thought Sebastian R. Smolarz, 2010-10-14 This volume deals with the varied forms of shame reflected in biblical, theological, psychological, and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief, and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress, and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St. Mark's United Methodist Church in Lincoln, NE in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis. **Young's Literal Translation of the Bible** Young, Robert, 2014-06-14 Young's Literal Translation of the Bible is as the name implies a strictly literal translation of the Hebrew and Greek texts from the Textus Receptus and Majority Text. Compiled by Robert Young in 1862, he went on to produce a revised version in 1887 based on the Westcott-Hort text which had been completed in 1885.

Young died on October 14 1888 and the publisher released a New Revised Edition in 1898 Young used the present tense in many places where other translations used the past tense particularly in narratives The Preface to the Second Edition states If a translation gives a present tense when the original gives a past or a past when it has a present a perfect for a future or a future for a perfect an a for a the or a the for an a an imperative for a subjunctive or a subjunctive for an imperative a verb for a noun or a noun for a verb it is clear that verbal inspiration is as much overlooked as if it had no existence THE WORD OF GOD IS MADE VOID BY THE TRADITIONS OF MEN Emphasis in original For example the YLT version of Genesis begins as follows 1 In the beginning of God s preparing the heavens and the earth 2 The earth hath existed waste and void and darkness on the face of the deep and the Spirit of God fluttering on the face of the waters 3 And God saith Let light be and light is 4 And God seeth the light that it is good and God seperateth between the light and the darkness 5 And God alled to the light Day and to the darkness He hath called Night and there is an evening and there is a morning day one Young s Literal Translation in the 1898 Edition also consistently renders the Hebrew Tetragrammaton the four Hebrew letters usually transliterated YHWH or JHVH that form a biblical proper name of God throughout the Old Covenant Testament as Jehovah instead of the traditional practice of LORD in small capitals which was used in editions prior to 1898 Young s usage of English present tense rather than past tense has been supported by scholars ranging from the medieval Jewish rabbi Rashi who advised If you are going to interpret this passage in its plain sense interpret it thus At the beginning of the creation of heaven and earth when the earth was or the earth being unformed and void God said Let there be light to Richard Elliott Friedman in his translation of the Five Books in The Bible with Sources Revealed 2002 There is a linked Table of Contents for each book and chapter

Experiencing Scripture Antony Campbell,2012-08-30 This book aims to enable a user to become closely familiar with a limited number of Older Testament texts and so be in a position to form judgments about them and resulting from that to have an understanding of the nature of biblical text itself Beyond this the reality that these are key texts for the understanding of the Bible means that they have fundamental impact for the basics of faith today our understanding of ourselves before God essential to faith in the life death and resurrection of Jesus Christ Israel s prophets reflect on the role of God in human life faith in God s love God s passion for justice the essential place of fidelity in faith Israel s foundational narratives explore the nature of human lives before God they include issues such as creation human freedom and faith in God s unshakeable commitment to human life Alongside these concerns there is the importance of getting a feel for the nature of scripture

King Josiah of Judah Marvin Alan Sweeney,2001 The author shows how King Josiah s reform program to unify Israel and Judah around the Jerusalem temple laid the foundation for the exilic thinkers who rescued Judaism from the obscurity of Babylonian defeat and exile

Prophetic Marriage Metaphor in the Hebrew Bible draws on contemporary scholarship to critique this hetero normativity The book examines the methodological issues involved in the application of queer theory to biblical texts and draws on the concept of gender performativity the construction of gender through action and behaviour to argue for the potential of queer theory in political readings of the Bible The central role of metaphor in reinforcing gender performativity is examined in relation to the books of Jeremiah Hosea and Ezekiel The book offers a radical reassessment of the relationship between biblical language and gender identity

Through the Bible with Poetry Michael Beatty, 2007-08-12 What I am attempting to do with this volume is to make the younger generation and anyone else that has a desire aware of some of the more prominent parts of the bible I have accomplished this by picking out certain highlights from each book of the bible and composing a poem about them At the end of each poem I have also included the scripture source for it In Christ Michael Beatty
