Code Blue Mike Magee, 2019-06-04 This searing and persuasive exposé of the American health care system demonstrates the disastrous consequences of putting profit before people. Kirkus Reviews starred review. In this timely and important book, Mike Magee, M.D., sends out a Code Blue, an urgent medical emergency for the American medical industry itself. A former hospital administrator and Pfizer executive, he has spent years investigating the pillars of our health system: Big Pharma, insurance companies, hospitals, the American Medical Association, and anyone affiliated with them. *Code Blue* is a riveting, character-driven narrative that draws back the curtain on the giant industry that consumes one out of every five American dollars. Making clear for the first time the mechanisms of greed and collusion by which our medical system was built over the last eight decades, he persuasively argues for a single-payer, multi-plan insurance arena of the kind enjoyed by every other major developed nation.

52 Days: the Cancer Journal Jordan Lane, 2012-12 There are only a handful of exceedingly rare diseases whose diagnoses can engender as much fear and anxiety as the diagnosis of cancer. The word malignancy alone is so pervasively menacing as to conjure the image of a malevolent being crawling through a loved one's body or the darkest of poisons seeping through their veins. Dr. Shane Dormady from the foreword: *52 Days: The Cancer Journal* is the true story of one woman's heroic battle with a rare and aggressive cancer that persistently sought to take her life and left her in a coma for nearly two weeks. This awe-inspiring narrative is told through the eyes of her son-in-law, who fastidiously documented the emotional stages that the cancer patient and her loved ones navigated: disbelief, helplessness, despair, fear, and sometimes even hope. *52 Days: The Cancer Journal* is a must-read for anyone who has been touched by cancer's pervasive reach and especially for someone who has been diagnosed with cancer and is fighting for his or her life.
