How To Service Your Car At Home:

The Power of Asking Loralie Klages, 2012-11 This book is being written to share ways to save time money and get more of what you want out of life simply through the power of asking Many people are afraid to ask for what they want for fear of being told no however in most cases you may be surprised that the answer is often yes and if the answer is no you will still be in the same situation as before You have nothing to lose if you don t ask the answer is always no Every day as consumers we are bombarded by vendors with questions These questions entice us to purchase additional services or spend more on a product What would happen if we started asking our own questions to vendors friends or acquaintances that would allow us to receive better services additional products or save time and money without compromise You will discover that by asking simple everyday questions ones we often hear from the uninhibited mouths of our children to asking more complex questions we can live a more enjoyable life by getting more of what we want more often **Popular Science** ,1976-08 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **A Selection of ...
