Instructional Coaching in Action Ellen B. Eisenberg, Bruce P. Eisenberg, Elliott A. Medrich, Ivan Charner, 2017-05-22 Unlike fix-it strategies that targeted teachers are likely to resist educator-centered instructional coaching ECIC offers respectful coaching for professionals within their schoolwide community Evidence-based results across all content areas authentic practices for data collection and analysis along with non-evaluative confidential collaboration offer a productive and promising path to teacher development Coaches and teachers implement ECIC through a before-during-after-BDA cycle that includes comprehensive planning between coach and teacher classroom visitation and data collection and debriefing and reflection Drawing on their extensive experience with ECIC authors Ellen B. Eisenberg Bruce P. Eisenberg Elliott A. Medrich and Ivan Charner offer this detailed guidance for coaches and school leaders on how you and your school can create the conditions for an effective ECIC program get buy-in from teachers clearly define the role of coach roll out a coaching initiative and ensure ongoing success with coaching Filled with authentic advice from coaches *Instructional Coaching in Action* provides valuable insight and demonstrates how educator-centered instructional coaching can make a difference in teacher learning instructional practice and student outcomes *Driving in Competition* Alan Johnson, 1978-06 *Be Still and Know* Lois R. Hoogeveen, 2013-08-01 The Ache of Sorrow is very deep but the Presence of God is very real What do you do when your world turns upside down and inside out How do you respond when you lose someone or something that is precious to you The loss of any person position or thing that we value triggers grief This book is not just for those who are grieving because of the death of a loved one It is also for those suffering loss from a broken marriage rebellious children betrayal financial downfall unemployment chronic illness or any other kind of situation that shatters one's hopes and dreams What if you are so distraught that you cannot even pray You breathe Breathe a single word to the One who promises to hear every word Breathe in God's presence Breathe out your fears and anxieties Say a breath prayer Then be still and know that God is God and let His Spirit renew your spirit *Be Still and Know* is a book of breath prayers written by Lois Hoogeveen

during her first year of life after her husband's death This book contains fifty two breath prayers giving you the option to focus on one word each week for one year Space is provided at the end of each chapter for you to write a personal breath prayer The comfort strength and solace of these prayers provide hope for anyone who struggles with any kind of loss

Novice Teachers Embracing Wobble in Standardized Schools Bob Fecho,Dawan Coombs,Trevor Thomas Stewart,Todd S. Hawley,2020-09-30 A critical resource for pre service and practicing teachers this book addresses what happens when new teachers try to enact inquiry based and dialogical pedagogy within standardized schools Exploring the narratives from beginning ELA and humanities teachers when they encounter challenges and obstructions this book explores moments of wobble key events that called attention to practice in the context of inflexible schooling systems that the teachers shared with their peers via an oral inquiry process OIP to help them unpack and understand their experiences This book advocates for the continued use and enhancement of mentoring and induction initiatives particularly those that recognize the expressed concerns of novice teachers no matter what their pedagogical stance might be By sharing novice teachers wobble stories and their outcomes this book provides a pathway for teachers continued self reflection and growth for the duration of their careers The authors offer a reflective adaptable and easy to use process that places teachers in control of their own professional learning The beliefs and structures examined in this text support the intentions of all teachers who work from a learning centered perspective and wish to take some ownership of their professional development
