

How to write a Short-Answer Response

Short Answer Response = One Thesis Statement + one form of support + closing statement. (SAR= TS + S + CS)

Thesis Statement: The thesis statement is that sentence or two in your text that contains the focus of your essay and tells your reader what the essay is going to be about. (You must restate the question in your thesis statement.)

Closing Statement: A final sentence that wraps up your response.

(Never say, "I am going to write about ...")
