The Archaic Paul Bishop, 2011-09-30 The Archaic takes as its major reference points C G Jung s classic essay Archaic Man 1930 and Ernesto Grassi s paper on Archaic Theories of History 1990 Moving beyond the confines of a Jungian framework to include other methodological approaches this book explores the concept of the archaic Defined as meaning old fashioned primitive antiquated the archaic is in fact much more than something very very old it is timeless inasmuch as it is before time itself Arch Urgrund Ungrund primordial darkness eternal nothing are names for something essentially nameless yet whose presence we nevertheless intuit This book focuses on the reception of myth in the tradition of German Idealism or

Romanticism Creuzer Schelling Nietzsche which not only looked back to earlier thinkers such as Jacob Boehme but also laid down roots for developments in twentieth century thought Ludwig Klages Martin Heidegger The Archaic also includes studies of the Germanic dimension of the archaic Charles Bambach Alan Cardew a discussion of the mytho phenomenological approach to the archaic Robert Josef Kozljani a series of articles on Jung's understanding of the archaic Paul Bishop Susan Rowland Robert Segal This book will be of interest to psychoanalysts anthropologists and phenomenologists as well as students of psychology cultural studies religious studies and philosophy as it seeks to rehabilitate a concept of demonstrable and urgent relevance for our time *Classical Influences on European Culture, A.D. 1500-1700* R. R. Bolgar, 1976-04-15 The papers illustrate the different ways in which the Renaissance made use of its classical heritage Proverbs Richard J. Clifford, 1999-01-01 Through translation technical notes and insightful commentary Richard Clifford sheds new understanding on Proverbs By focusing on the rhetoric of Proverbs Clifford demonstrates how the book fosters a lifelong search for wisdom and enables readers to see how the instructions and sayings are concerned with contemporary issues

Alabama Medicine, 1983 Resources in Education, 1989-05 **Human Economics** Sara Casagrande, 2023-08-11 The term human economics is sometimes used within economic theory with the hope of repositioning economic discipline as a human and social science but with scarce success Indeed although great economists have always carefully considered human nature it has been largely neglected in modern economics This book explores the potentials of a human economics arguing that the complexity and peculiarities of human nature should be central to the study of economics Complex economic phenomena are subject to laws and limits that reveal their internal order in spite of the apparent randomness and unpredictability The book embraces the contributions of thinkers and economists who have tried to fully consider human nature and society within their biological environment From these solid foundations the book introduces a different Weltanschauung offers an analysis of socio economic paradigms and develops an alternative theoretical framework On the basis of a transdisciplinary methodology the book investigates human nature interactions and systems up to the macroeconomic cyclical development of the capitalist system Future perspectives and issues facing modern economies are also discussed from environmental sustainability to globalization and socio political challenges This book marks an original contribution to the literature on retooling economic discipline and presents useful food for thought for scholarly readers while remaining accessible to graduates who are studying mainstream economics Literary Culture and U.S. Imperialism John Carlos Rowe, 2000 John Carlos Rowe considered one of the most eminent and progressive critics of American literature has in recent years become instrumental in shaping the path of American studies His latest book examines literary responses to U S imperialism from the late eighteenth century to the 1940s Interpreting texts by Charles Brockden Brown Poe Melville John Rollin Ridge Twain Henry Adams Stephen Crane W E B Du Bois John Neihardt Nick Black Elk and Zora Neale Hurston Rowe argues that U S literature has a long tradition of responding critically or contributing to our imperialist ventures

Following in the critical footsteps of Richard Slotkin and Edward Said *Literary Culture and U S Imperialism* is particularly innovative in taking account of the public and cultural response to imperialism In this sense it could not be more relevant to what is happening in the scholarship and should be vital reading for scholars and students of American literature and culture
