Sold to the Alpha Cara Wylde, 2017-12-21 The peace treaty between humans and shapeshifters was signed over a century ago. One of the consequences is that humans must provide shifters with young brides to give them heirs and ensure the survival of their species. Today all over the world special boarding schools take girls from orphanages and give them the most exquisite education preparing them to become brides for the enemy. Sexy curvy and confident Avelyn is one of those wild souls who will not be traded off as livestock. She's determined to do everything in her power to gain her freedom and build a new life far away from shapeshifters and what society expects of her. Alpha werewolf Max Blackmane is in search of a bride. When he comes to Alma Venus Boarding School, one of the best schools for shifter brides in the world, he is set on buying a young woman who would bring him political advantage. When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf shifter for a husband and a bunch of wolf pups clinging to her skirts.

In her mid-twenties, single, plus size, and a bit upfront, Millie isn't exactly the ideal girl that all the men in the city are after. She cares about animals more than she cares about her coworkers, and although her notions are sincere, she's lived alone for quite some time. Out of the blue, Millie receives a phone call from an old childhood friend. Joseph is handsome, a bit rugged, but with kind eyes, a firm build, and a perfectly benign personality. Millie finds herself falling for him faster than she's ever fallen for a guy before. Trouble arises when an enormous black wolf appears in the city, and Millie discovers that he is after his true human mate. With Millie as the target, how will she escape this madhouse of feelings that she has for her childhood friend, as well as cope with the fact that the big bad wolf that she has just given shelter to is in fact not a wolf at all?
