**Leveling the Playing Field** Nistha Sinha, Gabriela Inchauste, Ambar Narayan, 2024-12-02 Structural sources of Africa s inequality are rooted in laws institutions and practices that create advantages for a few but disadvantages for many They include differences in living standards that come from inherited or unalterable characteristics such as where people are born and their parents education ethnicity religion and gender They also arise from market and institutional distortions that privilege some firms farms and workers to access markets employment and opportunities while limiting access for the majority and limiting earning opportunities Leveling the Playing Field Addressing Structural Inequalities to Accelerate Poverty Reduction in Africa argues that policies to address high levels of structural inequality in Africa are also at the heart

of what is needed to accelerate progress in reducing extreme poverty There is nothing inevitable about structural inequality Economies that put up barriers to opportunities can also remove and replace them with policies that create a level playing field Indeed across the world countries where opportunities are distributed more fairly grow faster and have lower poverty incidence Broadening access to opportunities represents one of Africa s key prospects for raising productivity and earnings and accelerating poverty reduction Leveraging the most recent data available for the region Leveling the Playing Field provides recommendations aimed at improving the productive capacity of the poor the ability of poor individuals to use their capacities for well paying job opportunities and the design of fair fiscal policies

**Religions** Sidney M. Greenfield, A. F. Droogers, 2001 Once a central concept in anthropology syncretism has recently re-emerged as a valuable tool for understanding the complex dynamics of ethnicity postcolonialism and transnationalism Building on a century long tradition of scholarship this important book formulates a broader view of the mixing and interpenetration of religious beliefs and practices primarily from Africa and Europe highlighting the ways in which religions and cultures on both sides of the Atlantic have been assimilated and innovatively changed Divided into four sections the book

focuses on religious syncretism in Brazil Jamaica and other parts of the Caribbean and West Africa Greenfield and Droogers have brought together an array of outstanding international scholars whose rich and varied essays on specific geographical locales and customs comprise an innovative and comprehensive view of the transference of religious traditions and their continuity and reformulation on two continents

**Play and Power in Religion** André Droogers, 2011-11-30 At a religion's margins a counterpoint can be found for its power center In a creative manner relatively free from clerical control religious virtuosos take new initiatives there Inspired by their experience with the sacred they explore their liberty to play with meanings images and practices Yet the eventual success of such an innovation calls for organization and thus for the exercise of power Accordingly new movements slow down into institutions till a new virtuoso brings the cycle to a fresh start Over the last thirty years Andr Droogers has extensively published on the relation between religion power and play In this collection of essays the most relevant articles are reprinted For this volume Droogers wrote an autobiographical introduction showing how the contingencies of a career may nevertheless lead to a more or less consistent approach In Part I of the book articles are included that represent the basic ideas of Droogers approach with an emphasis on margin inversion ritual and meaning making In part II some of his articles on syncretism and Pentecostalism illustrate his views Part III contains articles that apply the play and power perspective to methodological issues in the study of religion
