Jochen Peiper Justice Denied:

Jochen Peiper Justice Denied David G Williams, 2013-08-25 Jochen Peiper was a Colonel in the Waffen SS One of the wars more divisive men who was accused and convicted of more than 900 murders yet he walked free after only a few years in prison why This book covers his whole life from his humble beginnings in Berlin to his rise to full Colonel in the SS and his participation in numerous campaigns in Europe and the Eastern Front The story leads to the war crimes trial held in Dachau in 1946 the results of that trial and the use of coercion and dubious interrogation methods leading up to it Many guilty men walked free and many innocent men remained in jail Others who were clearly guilty and named were never prosecuted at all Rules were dismissed and what was supposed to be a shining example of justice became an embarrassing mess If Peiper and his men were guilty of the crimes convicted of why were the sentences never carried out Thoroughly researched using original archived documents and other material this book sheds new light on an old story **SS Leibstandarte, Ace of the**

Waffen SS, Werner Herman Gustav Pötschke David G Williams, 2015-09-15 This book covers the life of Knights cross winner SS Sturmbannführer Werner Pötschke a little known officer of the Waffen SS This book also examines in detail the question of his personal involvement in the Malm dy massacre at the Baugnez crossroads This book is not an expose of the Nazi organisation or a concise history of the SS it will not come to the jaw dropping conclusion that Werner Pötschke was or was not a Nazi he was a committed Nazi he was an officer in the Waffen SS he was also a ferocious warrior and combat leader He was also quite possibly a mass murderer He was unusual in many ways but what is truly striking about him is just how much front line combat he was personally engaged in during WWII From the very beginning of the SS foundation unto the last month of the war this man was totally committed to the fight unquestioning and uncompromising For the men of steel there was only victory or Valhalla The Hitler Youth, Gristle for the Reich's Mill David G Williams, 2014-11-21 How was it an entire cultured nation allowed their children to be raised by a political party with an ideology of hate Stories of the fanatical bravery of the young men and children of the Reich on the battlefields of Europe are abundant It is easy to admire the courage of the Hitler Youth as they battled relentlessly against the Allied and Soviet armies But when one looks at it in the cold light of day one cannot fail to be overwhelmed with the senseless loss of life Millions butchered for an old man's nightmare vision of a world he hated and wanted to see burn His failure to face the facts combined with the Allies demand for unconditional surrender resulted in an entire generation consumed to the abyss The Wehrmacht the Hitler Youth the Volkssturm and the children were all in the end just gristle for the Reich's mill This book covers the whole story of a generation of young Germans from the rebirth of a Nation to its consignment to the abyss and their role in this calamity Includes many photos **Mutiny On The Bounty & Pandora's Box** David G Williams, 2014-04-17 Deluxe A4 Edition of this new approach to the complete story of HMS Bounty from its disastrous crew selection the Mutiny incitement of Polynesian wars trials executions pardons kidnaps rapes and enslavement to the brutal island murders Make no mistake it may have

been the beginning of the Romantic Age but there was nothing romantic about the Mutiny on the Bounty why did Fletcher Christian choose oblivion over common sense on that hot sunny morning so long ago Was it because far from freeing the crew from a perceived oppression he was actually mentally unstable Where exactly was Peter Heywood and why did half the crew choose certain death in an open boat rather than sail away with the mutineers Just some of the questions answered in this book for the first time the whole story the complete story including the voyage of the Pandora sent to capture the men that dared steal one of His Majesties ships Jochen Peiper Patrick Agte,1999 *Hitler's Warrior* Danny S.

Parker,2014-12-09 Handsome intelligent impetuous and dedicated to the Nazi cause SS Colonel Jochen Peiper 1915 1976 was one of the most controversial figures of World War II After volunteering for the Waffen SS at an early age Peiper quickly rose to prominence as Heinrich Himmler s ever present personal adjutant in the early years of the war Sent later to the fighting front with the fearsome 1st SS Panzer Division Peiper became a legend for his flamboyant and brutal style of warfare As one of Hitler s favorites he was chosen to spearhead the Ardennes Offensive later known as the Battle of the Bulge After the war Peiper became the central subject in the bitterly disputed Malm dy war crimes trial Convicted but later released he moved to eastern France There he and his past were discovered and he died in a fiery gun battle by killers unknown even today In Hitler s Warrior historian Danny Parker describes Peiper both on and off the battlefield and explores his complex personality The rich narrative is supported by years of research that has uncovered previously unpublished archival material and is enhanced with information drawn from extensive interviews with Peiper s contemporaries including German veterans This major new historical work is both a definitive biography of Hitler s most enigmatic warrior and a unique study of the morally inverted world of the Third Reich **A Peculiar Crusade** James J.
