

# PARTS LIST

The "exploded view" method of illustrating available parts, i.e., showing the parts related to their proper relative to each other, is used to assist the user of this parts list in locating desired parts.

Each available part has been given a key number which is used only as a reference in locating the part number, description, and quantity in the list which follows each "exploded view." This key number is not a part number. Do not use it when ordering parts.

## HOW TO ORDER PARTS

- When ordering parts from your **JOHN DEERE** dealer, give the following information:
- (a) Give serial number of your machine.
  - (b) Give part number, description, and quantity needed.
