Questions And Answers About Islam M.

Fethullah Gülen, 2007-11-01. In the past, unbelief was the outcome of ignorance. Then, when people learned about the truth, they were enlightened and found peace of mind. But recently, unbelief, rejection, and denial have been the attitudes of those who consider themselves knowledgeable in all fields, who claim to accept and believe only on rational or scientific grounds. Cloaked in science and rational philosophy, the activity of unbelief continues in many forms. The quality of believers' submission is impaired under constant threat and attack. In this book, Fethullah Gülen, sensitive to the real questions people have, the questions given rise to by the modern age, has tried through patient argument to answer people's doubts and questions about faith.

40 Questions About Islam Matthew Bennett, 2020-03-31 A much anticipated new addition to the very popular and practical book series that answers real questions on key topics in contemporary Christianity. Islam is one of the most significant forces shaping the world today but most Christians are confused about its key beliefs and practices. Many wonder about the apparent similarities and obvious differences between Christianity and Islam and want to reach out to Muslim friends or neighbors with the gospel but don't know where to begin. Having spent several years living in North Africa and the Middle East, missions professor Matthew Bennett guides readers through Islam's key tenants and provides answers to critical questions such as: Who was Muhammad and what was his message? Do Muslims and Christians worship the same God? What are the differences between the Qur'an and the Bible? What is shariah law? What is the Islamic view of salvation? What happens in the mosque? Is Islam inherently misogynistic? Do Muslims and Christians worship the same God? How should a Christian share the gospel with Muslims? Helpful summaries at the end of each chapter encapsulate important information followed by discussion questions useful for personal or small group study. Whether you want to understand Islam better or reach Muslims for Christ, *40 Questions on Islam* is an indispensable primer and reference book.
