**of**      Nathan S. French,2021-02-15 On a primary level the author seeks to answer the question what is the best interpretation of The Knowledge of Good and Evil in Gen 2 9 17 3 5 and 3 22 In Gen 3 5 and 3 22 this knowledge is said to be possessed by YHWH and the divine beings This study analyzes the permutations of good and evil bad in the Hebrew Bible with a majority focus in Genesis and the Deuteronomistic History and with a focus upon those textual instances in which YHWH has influence over good and bad evil Due to the results of the data the author brings in a second level of discussion that focuses upon the hermeneutical principle of divine retribution as a structuring element for ancient Near Eastern historiography On a third level the author turns to divine blessing and cursing and its association with good and evil in ancient Near Eastern texts and in the Hebrew Bible Due to this specific theocentric analysis of the lexemes juxtaposed with the author s wider study of ancient Near Eastern history and culture the answer to the guiding question of this study is therefore proposed by the author as The Divine Knowledge for Administering Reward and Punishment Ergo the Eden Narrative tells a story of how humans partly attain divinity becoming like YHWH and the divine beings Gen 3 5 3 22 Ps 82 in having acquired the forbidden divine knowledge for wielding ultimate power      **Qoheleth's Hope** Brian Neil

### **Raised from the Dead According to Scripture**

Lidija Novakovic, 2014-05-29 The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it Novakovic's working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture This tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple Each thematic block is based on a specific use of Scripture for the purpose of explaining the significance of Jesus

resurrection     *Perspectives of Jesus in the Writings of Paul* Gerry Schoberg, 2014-02-27 The critical question of the relationship between Jesus and Paul has been well established in New Testament studies for over 150 years and it needs to be addressed with all the tools of historical criticism that scholarship has developed So states Gerry Schoberg at the beginning of this new and important work that does just that By coupling comparative instances in the gospels and the works attributed to Paul Schoberg invites the reader to enquire more profoundly than in past studies as to the nature of the relationship between Jesus and the most dramatic of Christian converts At the heart of this study is not only the question of whether the New Testament truly gives a unified vision of the Christian movement but also how the early followers of Jesus felt able to draw such insightful conclusions about him Answering such questions through the study of Jesus and Paul offer an insight as to how one is to make theological sense of the many details experienced from day to day and thereby live a life in Christ
