Judas Child Carol Oconnell:

The Judas Child Carol O'Connell, 2010-06-01 It is three days before Christmas and two young girls have disappeared from the local academy This hasn't happened for fifteen years since Rouge Kendall's twin sister was murdered The killer was found but now Rouge twenty five and a policeman is forced to wonder Was he really the one Also wondering is a former classmate named Ali Cray a forensic psychologist with scars of her own The pattern is the same she says a child called out to meet a friend The friend is the bait the Judas child and is quickly killed But the primary victim lives longer until Christmas Day Rouge doesn't want to hear this He's spent the last fifteen years trying to avoid the memories drinking alone lying low washing out of school and a promising first career Now he might abandon law enforcement too but something won't let him not yet A little girl has haunted his dreams all these years and he has three days finally to put her to rest Judas Child

Carol O'Connell, 2006-04 Sadie Green's purple bicycle was found abandoned at the bus stop Then her friend Gwen disappeared which led the police to propose a runaway theory to the press But State Police Investigator Rouge Kendall wasn't convinced On a barstool in Dame's Tavern where Kendall spent a little too much time he remembered his own mother begging for the life of his twin sister Susan That was fifteen years ago And a man had been imprisoned for that murder a priest barely in his twenties Father Paul Marie continued to proclaim his innocence And current events might prove that he was telling the truth that someone else might be responsible for all three crimes **Coming Home** Lois Cloarec Hart, 2005 A triangle with a twist Coming Home is the story of three good people caught up in an impossible situation Rob a charismatic ex fighter pilot severely disabled with MS has been steadfastly cared for by his wife Jan for many years Quite by accident one day Terry a young writer postal carrier enters their life and turns it upside down Injecting joy and turbulence into their quiet existence Terry draws Rob and Jan into her lively circle of family and friends until the growing attachment between the two women begins to strain the bonds of love and loyalty to Rob and each other Blind Sight Carol O'Connell, 2017-09-26
