

The background of the book cover is a dark, atmospheric photograph of a city street at night. The street is wet and reflects the ambient light. In the distance, a bright light source, possibly a fire or a large explosion, illuminates the scene. Two figures, an adult and a child, are walking away from the viewer towards the light. The overall mood is mysterious and suspenseful.

Last Man Standing English Edition:

Last Man Standing Jack Straw, 2012-09-27 As a small boy in Epping Forest Jack Straw could never have imagined that one day he would become Britain's Lord Chancellor As one of five children of divorced parents he was bright enough to get a scholarship to a direct grant school but spent his holidays as a plumbers mate for his uncles to bring in some much needed extra income Yet he spent 13 years and 11 days in government including long and influential spells as Home Secretary and Foreign Secretary This is the story of how he got there His memoirs offer a unique insight into the complex sometimes self serving but always fascinating world of British politics and reveals the toll that high office takes but more importantly the enormous satisfaction and extraordinary privilege of serving both your constituents and your country Straw's has been a very public life but he reveals the private face too and offers readers a vivid and authoritative insight into the Blair Brown era and indeed the last forty years of British politics *First Man Out-Last Man Standing* Karen Simmons, 2005-03 Banners and flags have been an intricate part of wars victories and celebrations through out the ages Find out how they are used to express God's Voice in worship and intercession **Mr Asia: The Last Man Standing** Jim Shepherd, 2010-06-01 Do not think for one instant that a life of crime is glamorous and exciting It is not It is a life of degradation dishonesty misery violence and loss of liberty It has been more than 30 years since the Mr Asia drug syndicate came apart when the handleless toothless body of Martin Johnstone was found dumped in a quarry in England The members of the syndicate were responsible for a string of dead bodies all over the world and the importation of hundreds of kilograms of heroin and marijuana into Australia New Zealand and Britain and they made tens of millions of dollars doing it In this never before heard story from the only surviving member of the syndicate James Shepherd tells of Mr Asia's rise and fall in gritty horrifying detail This is not the flashy glamourised account put forward in Underbelly but raw unadulterated truth James Shepherd was named by the 1983 Stewart Royal Commission as second in charge of the Mr Asia Drug Syndicate and was given a 25 year sentence for his role The long years spent in jail contemplating the murder and misery caused by the syndicate convinced him that the full story needed to be told as a warning to others if nothing else The result is something unique as fascinating as it is horrifying It's the real insiders account of the multi million dollar kill or be killed world of our most notorious international drug syndicate

Before 30 (English Version) Philip Mantofa, Sianne Ribkah, 2023-02-24 God has always used youth He has always called on the young to be witnesses of His glory This generation is no exception Before 30 is a riveting account of how the Lord Jesus touched the life of a young man Philip Mantofa delivered him from the depths of violence and depression and used him mightily as a chosen vessel of revival in Indonesia and Asia While Pastor Philip was still in his twenties a divine firebrand sparked city wide revivals which were noted for creating immediate and enduring impact particularly among young people More than 200 000 people experienced salvation while scores of youths were equipped and commissioned to pioneer thriving local churches Such a transforming anointing and influence can only arise from a life deeply rooted in Scripture and an

intimate fellowship with the Holy Spirit Before 30 is evidence that God is able to raise young people to become standard bearers even for the older generation

Last Man Standing Dick Camp,2010-11-10 One of the bloodiest battles in Marine Corps history Operation Stalemate as Peleliu was called was overshadowed by the Normandy landings It was also in time judged by most historians to have been unnecessary though it had been conceived to protect MacArthur s flank in the Philippines the U S fleet s carrier raids had eliminated Japanese airpower rendering Peleliu irrelevant Nevertheless the horrifying number of casualties sustained there 71% in one battalion foreshadowed for the rest of the war rather than fight to the death on the beach the Japanese would now defend in depth and bleed the Americans white Drawing extensively on personal interviews the Marine Corps History Division s vast oral history and photographic collection and many never before published sources this book gives us a new and harrowing vision of what really happened at Peleliu and what it meant Working closely with two of the 1st Regiment s battalion commanders Ray Davis and Russ Honsowetz Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe they describe the legendary Chesty Puller leading his decimated regiment against enemy fortifications they tell of Davis wounded but refusing evacuation while his men were under fire and of a division commander who rejects Army reinforcements Most of all their richly detailed deeply moving story is one of desperate combat in the face of almost certain failure of valor among comrades joined against impossible odds
