Atwood, Roger Atwood, 2019-09-01 Nonfiction storytelling is at its best in this anthology of excerpts from memoirs by thirty authors some eminent some less well known who grew up tough and talented in working class America Their stories selected from literary memoirs published between 1982 and 2014 cover episodes from childhood to young adulthood within a spectrum of life changing experiences Although diverse ethnically racially geographically and in sexual orientation these writers share a youthful precocity and determination to find opportunity where little appeared to exist All of these perspectives are explored within the larger context of economic insecurity a needed perspective in this time of growing inequality. These memoirists grew up in families that led hardscrabble lives in which struggle and strenuous effort were the norm Their stories offer insight on the realities of class in America as well as inspiration and hope Navigating Student Ministry Tim McKnight, 2022-03-01 Navigating Student Ministry is a multi contributor introductory textbook designed to help those who are discerning a call to student ministry new to serving in this area of the church or training others as they minister to students Child Development Laura Berk, 2015-05-20 Child Development Real School Issues, Laura Trujillo-Jenks, Rebecca Ratliffe Fredrickson, 2017-04-18 Real School Issues Case Studies for Educators shares a series of application based activities that highlight school issues and that are presented in each chapter with a case study a brief literature review and guiding discussion questions to be used with undergraduate and graduate students and current educators Across the globe there are

many unforeseen problems throughout our schools such as issues in Curriculum and Instruction Assessment and Testing Classroom Management Student Discipline and Campus Safety Educator Ethical Issues or Parents and Outside Stakeholders This book uses researched based problem solving measures to help graduate and undergraduate students as well as current educators construct and develop potential solutions to these problems The focus of this book is to be used as a tool to assisting learners to use researched based methods to assist them in problem solving real world problems in a theoretical safe environment of the classroom where they can be lead and assisted by their colleagues peers and instructors
