Ridges, 2023-04-24 Noted teacher and gospel scholar David J Ridges brings the New Testament to life with his well known teaching skills in this third edition of *The New Testament Made Easier*. This enhanced version now includes hundreds of additional brief notes and commentary plus many verses from the Joseph Smith Translation of the Bible and the full text of the best selling book *Our Savior Jesus Christ His Life and Mission to Cleanse and Heal*. An invaluable bonus to this edition *Our Savior Jesus Christ* takes the reader on an intimate journey through the Savior's mortal life. It begins with the pre-existence, highlights the Lord's three year ministry and reverently concludes with the final week of his mortality. Join the tens of thousands of readers who have experienced spiritual growth from reading and pondering the books in this series. Understand for yourself and celebrate the cleansing healing power of the Atonement, the Resurrection and the Savior's continuing ministry to bring us back to the Father. A POWERFUL STUDY GUIDE. Quickly gain a basic understanding of the New Testament with the help of brief notes within and between the verses accompanied by bolding for teaching emphasis. Example John 16:23-23 And in that day ye shall ask me nothing. Verily, verily, I say unto you, Whatsoever ye shall ask the Father in my name, he will give it you. Transfer the brief notes into your own scriptures to increase your understanding of the New Testament now and in the future. Better understand the symbolism in the Savior's parables. The New Testament Church of Jesus Christ of Latter-day Saints. Department of Seminaries and Institutes of Religion, 1964. *New Testament Study Guide, Pt. 1* Randal S. Chase, 2010-12-01 The Life Ministry of Jesus Christ. This volume is the first of three on the New Testament. It covers the life of Christ from his premortal selection as the Lamb of God through His birth and childhood. Then we follow the Master during the first year of His ministry as He is tempted, baptized, performs miracles, selects Twelve Apostles and then teaches with parables and in the Sermon on the Mount. During the second year of His ministry He teaches the Bread of Life sermon, is transfigured and bestows priesthood keys to the Twelve. He finishes the second year of His ministry at Jerusalem where He declares Himself to be the Light of the World, the Son of God and the Messiah. The cover features the classic image of The Sermon on the Mount painted by Carl Heinrich Bloch in 1890. **New Testament Study Guide, Pt. 2** Randal S. Chase, 2010-12-01 The second of three volumes on the New Testament discusses the final year of the Savior's ministry, his prophecies of the last days and the second coming, the Last Supper and on through his 40 day ministry among the Apostles and ascension into heaven. The third volume covers most of the Book of Acts, the New Testament epistles and the Book of Revelation. *New Testament Study Guide, Pt. 3* Randal S. Chase, 2010-12-08 The Epistles, the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way we read his teachings in his 14 marvelous

epistles to early Church members Eventually we follow Paul to Rome where he was martyred for the cause of Christ This volume also covers the epistles of James Peter John and Jude And finally we read the Book of Revelation John's apocalyptic messages written while he was on the Isle of Patmos The cover features a classic painting of St Paul at His Writing Desk painted by Rembrandt in 1692

**Mormon Hermeneutics** Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics

**Teachings of the Living Prophets Student Manual** The Church of Jesus Christ of Latter-day Saints, 2013-11-26 President James E Faust 1920 2007 of the First Presidency explained the role of prophets and the need for the revelation they receive The prophets seers and revelators have had and still have the responsibility and privilege of receiving and declaring the word of God for the world These are the prophetic oracles who have tuned in over the centuries to the celestial transmitting station with a responsibility to relay the Lord's word to others This Church constantly needs the guidance of its head the Lord and Savior Jesus Christ This was well taught by President George Q Cannon while serving in the First Presidency We have the Bible the Book of Mormon and the Book of Doctrine and Covenants but all these books without the living oracles and a constant stream of revelation from the Lord would not lead any people into the Celestial Kingdom of God Gospel Truth Discourses and Writings of President George Q Cannon 2 vols sel Jerreld L Newquist 1974 1 323 Revelation was required to establish this Church Revelation has brought it from its humble beginnings to its present course Revelation has come like flowing living water Continuing revelation will lead it forward to the windup scene But as President J Reuben Clark told us we do not need more or different prophets We need more people with a listening ear in Conference Report Oct 1948 82 Continuing Revelation Ensign Aug 1996 2 4 6 7

Chase,2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord s anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as

opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson
