Making Marriage Work Lynn Toler, 2012-08-07 Solid advice for newlyweds golden anniversary celebrants and everybody in between from the Marriage Boot Camp and former Divorce Court star The Augusta Chronicle As the judge starring on two hit television shows Lynn Toler has witnessed en masse the thematic mistakes made in American marriages She herself has also been wed for more than 30 years and has seen both the highs and lows of matrimony in her own marriage as well as the marriages of those close to her Drawing from both her professional career and personal life Toler sees that the biggest impediment to marriage these days is that couples decide to take the plunge based almost entirely on the most irrational criteria falling in love Making Marriage Work doesn't suggest that love has nothing to do with marriage at all rather Toler says that love by itself is simply not enough to make marriages survive Marriage Toler says is a job and it needs to be treated like one This updated manual suggests specific procedures that should be put in place to bridge the gap between head over heels and happily ever after It explains how to phrase things in order to span the great hormonal divide men and women often fall into when trying to talk to one another It also discusses the very new and real challenges to marriage created in a culture often overwhelmed by the emphasis on and ability to attain instant gratification Replete with simple no nonsense rules Divorce Court anecdotes and stories about Judge Toler's own union Making Marriage Work contains invaluable information couples can use today to secure their marital tomorrow

*Quest for Ideal Marriage* Solomon Chuks, 2018-10-29 An ideal marriage is the ultimate desire of every grown adult of marriageable age but unfortunately and against the will God the

activities of older folks in the field have painted a scary picture of the sacred institution making an ideal marriage appear unachievable to the younger generation This to me is an anomaly Considering the fact that marriage is the first agent of socialization to a child humanity owes it a duty to the younger generation to preserve the tenets of the institution based on old values handed down by God The endemic crisis witnessed today in the institution escalated because of limited knowledge of values inadequate culture of communication and poor handling of myths and fact of the institution These factors among others are regrettably responsible for the embarrassing rate of divorces witnessed globally The religious bodies have no doubt been contributing through workshops and seminars in solving the problem but the conflict in their doctrines and restrictions does not give them the needed free hand to address the problem considering the dynamism that characterize life at that stage so the problem has continued unabated Quest for Ideal Marriage is written without unnecessary doctrinal restrictions to unveil those avoidable human mistakes which the young people especially make in their quest for an ideal marriage With recourse and sincerity an Ideal Marriage is of course attainable by anybody who will discipline his herself and follow the rules as handed down in this book The difference between successful and unsuccessful marriage is simply distractions If people have made their marriage work you too can make yours work All you need is to acquire the relevant information as contained herein and intelligently follow the rules in its application and you will contract and enjoy a successful marriage That is a promise It is not a magic Zig Ziglar once said Just any dummy can succeed if he cares to know what it takes in this book you have it
