*Introduction to the Foundation Phase* Amanda Thomas, Alyson Lewis, 2016-09-08 An Introduction to the Foundation Phase provides a practical guide to understanding and implementing the Foundation Phase in any early years setting in Wales. The experienced author team discuss and reflect upon a play based approach to learning and the importance of collaboration between various members in any early years settings. Students are introduced to key topics including key theories of influential thinkers within early years education both past and present, international curricula and perspectives on play and how Welsh curriculum compares effective classroom practice, observational techniques, methods of assessment and how to be a reflective practitioner. Through interviews with different stakeholders including educational ministers, policy advisors, practitioners and parents, *An Introduction to the Foundation Phase* concludes by discussing the challenges and complexities of putting policy into practice and considers implications for the future of early years education. Making links between theory, policy and practice is vital for a future workforce and this core text provides a solid foundation for any student within early years. Illustrative case studies, activities, reflective tasks and suggestions for further reading are provided throughout. Online resources for lecturers and students are also included.

**Mosby's Fundamentals of Therapeutic Massage - E-Book**  
Sandy Fritz, Luke Allen Fritz, 2020-02-13 Success in massage therapy begins with a solid foundation in the fundamentals. Mosby's Fundamentals of Therapeutic Massage 7th Edition helps you build the skills you need from assessing problems and planning treatment to mastering massage techniques and protocols. Hundreds of photographs demonstrate massage techniques step by step and case studies bring concepts to life. How to videos on the Evolve companion website show manipulation techniques, body mechanics, positioning and draping and more. If you want to prepare for licensing and certification exams and succeed in practice, this resource from massage therapy expert Sandy Fritz is your text of choice. Comprehensive coverage includes all of the fundamentals of therapeutic massage including massage techniques, equipment and supplies, wellness, working with special populations and business considerations. It also prepares you for success on licensing and certification exams. Step by step full color photographs demonstrate massage techniques and protocols by body area. Three hours of video on the Evolve website demonstrate techniques and body mechanics; each clip is narrated and performed by author Sandy Fritz as well as review activities for licensing exams. Proficiency exercises provide opportunities to practice and apply what you are learning. Case studies offer practice with clinical reasoning and prepare you to address conditions commonly encountered in professional practice. Coverage of body mechanics helps you to create an ergonomically effective massage environment and to determine appropriate pressure, drag and duration application while applying massage methods. Coverage of multiple charting methods helps you develop record keeping and documentation skills including SOAP and computer charting with simulation on Evolve. Learning features include chapter outlines, objectives, summaries, key terms, practical applications, activities and exercises and workbook type practice. Review tools include matching exercises, short answer questions, fill in the blank questions, drawing exercises and critical thinking questions, all available on Evolve Research.
