Impact of Disruptive Technologies on the Socio-Economic Development of Emerging Countries Mtenzi, Fredrick Japhet, Oreku, George S., Lupiana, Dennis M., 2023-06-12 Global emergencies such as the COVID 19 pandemic and environmental concerns have challenged the readiness of societies and forced them to operate in more innovative ways. In response, the world has witnessed new technologies emerge, and researchers continually finding better solutions to cope with these situations. It is crucial that these innovations are investigated so that we may better the world during times of crisis. **Impact of Disruptive Technologies on the Socio Economic Development of Emerging Countries** provides relevant case studies, innovative disruptive applications, and the latest empirical research findings in the digital technology space. Additionally, it provides accounts of the design, development, and usage of digital solutions that have an impact on addressing societal problems in emerging economies. Covering topics such as e-social work, social media addiction, and adaptive testing, this premier reference source is an essential resource for government officials, entrepreneurs, politicians, business leaders, students, and educators of higher education, sociologists, librarians, researchers, and academicians.

Climate Change and the Role of Education Walter Leal Filho, Sarah L. Hemstock, 2019-11-28 This book offers insights into the educational dimensions of climate change and promotes measures to improve education in this context. It is widely believed that education can play a key role in finding global solutions to many problems related to climate change. Indeed, education as a process not only helps young people to better understand and address the impact of global warming but also fosters better attitudes and behaviours to aid efforts towards mitigating climate change and adapting to a changing environment. But despite the central importance of education in relation to climate change, there is a paucity of publications on this theme. Against this background, the book focuses on the educational aspects of climate change and showcases examples of research projects and other initiatives aimed at educating various audiences. It also provides a platform for reflections on the role education can play in fostering awareness on a changing climate. Presenting a wide range of valuable lessons learned, which can be adapted and replicated elsewhere, the book appeals to educators and practitioners alike.

Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world, comprising their aims, activities, and events.

Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa Teshager Alemu, Kassa, Abebe Alebachew, Mulunesh, 2018-02-09 Despite increasing reports across the globe on renewable development and maintenance, little is known regarding what strategies are required for improved economic growth and prosperity in Africa. Improving an understanding of the methods for promoting growth through reusable resource development and administration is a vital topic of research to consider in assisting the continent's development. *The Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa* provides emerging research on the

strategies required to promote growth in Africa as well as the implications and issues of the expansion of prosperity While highlighting sustainable education pastoral development pathways and the public sector role readers will learn about the history of sustainable development and governmental approaches to improving Africa s economy This publication is a vital resource for policy makers research institutions academics researchers and advanced level students seeking current research on the theories and applications of development in societal and legal institutions

Crossing the Global Quality Chasm National Academies of Sciences, Engineering, and Medicine,Health and Medicine Division,Board on Health Care Services,Board on Global Health,Committee on Improving the Quality of Health Care Globally,2019-01-27 In 2015 building on the advances of the Millennium Development Goals the United Nations adopted Sustainable Development Goals that include an explicit commitment to achieve universal health coverage by 2030 However enormous gaps remain between what is achievable in human health and where global health stands today and progress has been both incomplete and unevenly distributed In order to meet this goal a deliberate and comprehensive effort is needed to improve the quality of health care services globally Crossing the Global Quality Chasm Improving Health Care Worldwide focuses on one particular shortfall in health care affecting global populations defects in the quality of care This study reviews the available evidence on the quality of care worldwide and makes recommendations to improve health care quality globally while expanding access to preventive and therapeutic services with a focus in low resource areas Crossing the Global Quality Chasm emphasizes the organization and delivery of safe and effective care at the patient provider interface This study explores issues of access to services and commodities effectiveness safety efficiency and equity Focusing on front line service delivery that can directly impact health outcomes for individuals and populations this book will be an essential guide for key stakeholders governments donors health systems and others involved in health care

The Legacy of Jullien's Work for Comparative Education Charl

Wolhuter,2020-06-09 Comparative and International Education is a seemingly infinite field and it has always tested new frontiers since it was launched as a field of scholarly enquiry 200 years ago by the vision of Marc Antoine Jullien The philanthropic mission which Jullien spelled out for the field remains its most noble The contributions to this book look afresh at this mission within the context of twenty first century globalised society while also highlighting and re assessing other sources in the field This book was originally published as a special issue of Compare A Journal of Comparative and International Education
