Wiley,1993-04-05 Revised and expanded this edition contains updated information on accounting and tax provisions finance available real estate software and financial calculations Features a new chapter on real estate applications of the latest spreadsheet software including Quattro Pro 3 0 The accompanying disk includes appraisal and multi component investment analyses loan amortization schedules a refinancing model four graphs and more Foundations of Recreational Service Management Jay S. Shivers,2021-02-10 This thorough text introduces students to the principles and ways of management in public recreational service It includes a history of the modern recreational service movement a general overview of the field and a detailed guide to best practices in leadership coordination public relations planning and budgeting Tips on how to find the best service possible in one s community are offered and the complex relationship between public recreational services and politics is also discussed Other topics range from staff organization to evaluating the effectiveness of a recreational program Cost Management and Control in Government Dale R. Geiger,2011-06-19 Government organizations spend enormous amounts of money They employ a large percentage of the work force They have an undeniably huge impact on the national economy and wealth Yet they are for the most part unmanaged What passes for management is a combination of oversight and audit Oversight is primarily reactive offering negative feedback for failures and demanding additional rules and regulations to prevent reoccurrences Audits look for bright line discrepancies and clear violations to those rules and regulations Government operations are often criticized for waste and mismanagement Yet the current situation unfortunately can best be described as one of un management rather than mis management Government can run better The purpose of this book is to look at how government can move from rule driven to leadership driven management Specifically it will document and discuss specific examples of successful cost informed decision making and cost management and control in government It will also delineate the requirements of such success and explore the special needs of transforming the management culture of government from its well embedded past practices to a new paradigm of leadership driven management
