

# Seed Matching

**Match the seeds to their vegetable!**

There are so many great fruits and veggies found at the Farmer's Market and they all started as individual seeds! Use the clues to try to match the veggies with their seeds!

Carrot seeds are very small, and look like little raindrops.

Pea seeds are the small circles inside the shell of the pea pod.

Beet seeds are small and scrunchy, almost like little walnuts.

Bean seeds can be found inside the shell, like peas. They are big and dark, and shaped like an oval.
