Introducing the IB Diploma Programme Marc Abrioux, Jill Rutherford, 2013-02-14 Schools wishing to introduce the IB diploma programme are faced with major investment in terms of time effort and money in order to become authorised This manual is a resource for schools already offering the diploma as well as for prospective diploma schools *Handbook of Research on Politics in the Computer Age* Solo, Ashu M. G., 2019-08-30 Technology and particularly the Internet have caused many changes in the realm of politics Aspects of engineering computer science mathematics or natural science can be applied to politics Politicians and candidates use their own websites and social network profiles to get their message out Revolutions in many countries in the Middle East and North Africa have started in large part due to social networking websites such as Facebook and Twitter Social networking has also played a role in protests and riots in numerous countries The mainstream media no longer has a monopoly on political commentary as anybody can set up a blog or post a video online Now political activists can network together online The Handbook of Research on Politics in the Computer Age is a pivotal reference source that serves to increase the understanding of methods for politics in the computer age the effectiveness of these methods and tools for analyzing these methods The book includes research chapters on different aspects of politics with information technology engineering computer science or math from 27 researchers at 20 universities and research organizations in Belgium Brazil Cape Verde Egypt Finland France Hungary Italy Mexico Nigeria Norway Portugal and the United States of America Highlighting topics such as online campaigning and fake news the prospective audience includes but is not limited to researchers political and public policy analysts political scientists engineers computer scientists political campaign managers and staff politicians and their staff political operatives professors students and individuals working in the fields of politics e politics e government new media and communication studies and Internet marketing

(Mis)Understanding Political Participation Jeffrey Wimmer, Cornelia Wallner, Rainer Winter, Karoline Oelsner, 2017-12-15 The practices of participation and engagement are characterised by complexities and contradictions All celebratory examples of uses of social media e g in the Arab spring the Occupy movement or in recent LGBTQ protests are deeply rooted in human practices Because of this connection every case of mediated participation should be perceived as highly contextual and cannot be attributed to one social specific media logic necessitating detailed empirical studies to investigate the different contexts of political and civic engagement In this volume the theoretical chapters discuss analytical frameworks that can enrich our understanding of current contexts and practices of mediated participation The empirical studies explore the implications of the new digital conditions for the ways in which digitally mediated social interactions practices and environments shape everyday participation engagement or protest and their subjective as well societal meaning **Women's Activism in Twentieth-Century Britain** Paula Bartley, 2022-04-01 This book serves as an introduction to the extraordinary diversity of women s activism Paula Bartley s original research is supported by a range of

writing to provide a powerful impression of the actions taken by groups of women from across the social and political spectrum making the book invaluable to both students and interested readers These women set out to make a difference to their locality their country and sometimes the world The story of women s activism embodies stimulating accounts of progress and reversals of commitment and uncertainty of competing rights and challenging wrongs The story of women s activism is not tidy or well ordered It is messy and unorthodox And full of surprises

Why States Matter in Economic Development Jawied Nawabi,2024-04-29 This book examines the underlying conditions that give rise to states that are effective efficient and bureaucratically inclusive with their developmental policies In spite of humanity s significant advancements in science technology and institutionalization of universal human rights conventions in the last seven decades many countries are still failing to achieve successful development results As a result enormous levels of inequality poverty and malnutrition prevail This book focuses on the role of the state in the political economy of development tracing the socio economic origins of effective state institutions from a comparative historical institutional perspective Drawing on the case studies of South Korea Brazil India Spain France and England the study looks at how good state institutions form and why these are central to the socioeconomic advancement of their populations The book contends that effective developmental states are those in which state actors are able to effectively diminish and co-opt the power of the country s landed elites during the early years of state building Effectively the power balance between these two classes determines the developmental trajectory of the state Considering agrarian reform as the foremost indispensable policy tool to open conditions for positive changes in effective taxation education healthcare and strategic sustainable industrial policies this analysis offers a significant contribution to the literature on the sociology of institutions and the political economy of development As well as being a key reading for advanced students and researchers in these areas this book draws real life policy lessons for practitioners and policy makers in the developing world

Qanat Dale Lightfoot,2024-08-22 Qanats are ubiquitous yet unseen and a clever way to create streams where none exist in nature For 3 000 years they have made life possible in impossible places and still sustain life and livelihoods in many countries today After 30 years of field research Dale Lightfoot provides the first comprehensive study of the qanat and sheds new light on their unique locations and distribution their origins and history their ecology current status and use Qanats are remarkably engineered underground aqueducts using gravity to bring water to villages and towns where reliable flowing surface water is scarce or absent Although an ancient technology more than 46 000 of them still flow around the world today with their sustainable nature

making them a focus of renewed interest Richly illustrated with images and a series of original maps this is the most complete record to date of the locations and distribution of qanats worldwide including examples from the Middle East North Africa Europe Central Asia China India Mexico and South America

Mexicano and Latino Politics and the Quest for Self-Determination Armando Navarro, 2015-01-08 This book examines the current status of Mexicano and Latino politics in the United States Political scientist and community activist Armando Navarro maintains that both represent a dysfunctional and failed mode of politics attributable to their system maintenance and mainstream ideological orientation and approach As colonial agents they protect both a United States that is decaying and declining and the degenerative liberal capitalist system Navarro argues that the United States is not a representative democracy but in fact is a White Corpocratic Dictatorship controlled by Capital which is evolving into a Fascist State The book provides an in depth analysis and contention that Mexicanos and Latinos in Aztlan Southwest are an occupied and internal colonized people It argues they are the Palestinians and Kurds of the United States His supposition is sustained by the book's profiles of Mexicano political history demography socioeconomics electoral politics immigration and the Triad Crisis e g Second Great Depression Global Economic Crisis and Global Capitalist Crisis Each chapter provides the justification and case for Navarro's two unique alternative change models applicable to today's bankrupt and failed Mexicano and Latino Politics in the twenty first century The preferred model is Aztlan's Politics of a Nation Within a Nation APNWN which is based on the models of the Mormon Nation of Utah and that of French Quebec Navarro therefore calls for the reformation of the United States liberal capitalist system by way of social democracy for the empowerment of Mexicanos and Latinos His second model is Aztlan's Politics of Separatism APS which offers two strategic options 1 Aztlan Southwest becoming a separate and sovereign nation state or 2 its reannexation and reintegration with Mexico Navarro outlines a plan of action for building a New Movement designed to attain APNWN or APS In addition several ominous forecasts are made such as the United States being in a state of decline and no longer a hegemonic superpower due to the rise of a multi polar world Moreover Navarro attributes the United States decline to the inherent contradictions of global capitalism His sobering message is that if the current economic conditions are left unchanged this will produce an End of Times scenario the unleashing of the Four Horsemen of the Apocalypse

Hand of the prince Pablo de Orellana, 2025-03-18 This book is dedicated to how diplomacy makes develops and trades in knowledge It proposes an approach to examine how diplomatic knowledge production describes what diplomats see how these descriptions develop and whether they were convincing to one's own policymakers or even those of other actors These descriptions are vital actors can be inserted into global categories Communism or Terrorism that beget significant security relational and policy consequences Diplomacy and policy constitute the world we inhabit based on what policymakers made of descriptions assessments and analysis Such is the power of knowing who we and the others are
