The text takes an uncomplicated practical approach to intermediate level financial accounting offering a manageable way to master the subject one step at a time. *EBOOK: Financial Accounting and Reporting: An International Approach* Anne Marie Ward, Craig Deegan, 2013-03-16 *Financial Accounting and Reporting: An International Approach* is an adaptation of McGraw Hill Australia's bestselling financial accounting text *Australian Financial Accounting* by Craig Deegan, authored by Anne Marie Ward of Ulster University. Set within an international context with a solid grounding in IAS/IFRS, the book provides students with a detailed grasp of reporting requirements in an accessible and engaging manner. Up to date throughout and complete in theoretical and practical coverage, the book successfully communicates the detail necessary to understand and challenge and critically evaluate financial reporting. The result gives students a strong foundation for current study and their future professional lives. *Solutions Manual for Use with Financial Accounting* Walter B. Meigs, 1970 *Solutions Manual for Use with Financial Accounting* Walter B. Meigs, Robert F. Meigs, 1983 **Ebook: Managerial Accounting - Global Edition** Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing, while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the *Management Accounting Practice* boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition. **Financial Accounting** Robert F.
