Agricultural Education in Uganda, Makerere University, Kampala West Virginia University. Kelly,2019-09-30 In *Gender and Practice* Insights from the Field twelve chapters contribute to the creation of an accessible body of knowledge that looks to provide gender practitioners with examples of what works and what doesn't in the attainment of gender equality

Politics and higher education in East Africa from the 1920s to 1970 Bhekithemba R. Mngomezulu,2012-01-01 The main objective of this book is to establish the salient reasons why higher education was developed in East Africa and specifically why the Federal University of East Africa was constituted The book will identify the factors responsible for the collapse of this regional institution in June 1970 Another objective of this book is to demonstrate how the history of the University of East Africa sheds light on colonial and post colonial policies on education especially higher education as a contribution to educational planning in contemporary Africa Political Penetration and Primordial Attachment at Makerere University Eria Buseere Mugerwa,2002 Promoting Gender Equity in Selected Public Universities of Kenya Jane Onsongo,2011 The purpose of this study was to examine sustainable gender equity interventions in selected public universities The study used descriptive survey and case study research methods to carry out an in depth analysis of the gender equity interventions in selected public universities in Kenya The sample consisted of four public universities that were selected because they had established gender centers institutes that were assumed to be coordinating gender equity intervention The study has the following objectives To establish the existing gender inequalities in the formal organisational structure of the selected universities To identify and assess sustainability of gender equity interventions in the selected public universities To analyse the national regional international and organisational culture and policy contexts that have influenced and supported the introduction of the identified gender equity interventions To investigate the attitudes of staff students and management towards the gender equity interventions and to recommend appropriate institutional strategies to address existing gender inequities *Voyages in Postcolonial African Theatre Practice* Charles Nwadike, Keneth Bamuturaki,2024-03-25 *Voyages in Postcolonial African Theatre Practice* goes beyond the predictable academic discursive trips on postcolonial drama and theatre practice In 14 unique but interrelated essays this volume dissects the critical issues that envelop the practice of theatre in postcolonial Africa and the African Diaspora and how practitioners engage with the trends which arise The volume departs from the conventional theoretical constructs of humanistic studies and focuses on concrete realities that interface and interfere with the professional practice of African theatre a creative industry confined by the historical and dialectical motifs of the colonial experience Topics such as secondary adaptations theatre training and pedagogy censorship and performance politics applied theatre cultural policy and tourism scenography festivals and oral tradition dance internationalisation popular music text and the African film reflect the broad coverage and diversity of this volume on African

postcolonial theatre practices from text to performance planning to production *Political Penetration and Primordial Attachment at Makerere University* Mugerwa David, 2002 Scholars in the Marketplace. The Dilemmas of Neo-Liberal Reform at Makerere University, 1989-2005 Mahmood Mamdani, 2007

Scholars in the Marketplace is a case study of market based reforms at Uganda's Makerere University With the World Bank heralding neoliberal reform at Makerere as the model for the transformation of higher education in Africa it has implications for the whole continent At the global level the Makerere case exemplifies the fate of public universities in a market oriented and capital friendly era The Makerere reform began in the 1990s and was based on the premise that higher education is more of a private than a public good Instead of pitting the public against the private and the state against the market this book shifts the terms of the debate toward a third alternative than explores different relations between the two The book distinguishes between privatisation and commercialisation two processes that drove the Makerere reform It argues that whereas privatisation the entry of privately sponsored students is compatible with a public university where priorities are publicly set commercialisation financial and administrative autonomy for each faculty to design a market responsive curriculum inevitably leads to a market determination of priorities in a public university The book warns against commercialisation of public universities as the subversion of public institutions for private purposes Coasts of Korea and China , **Transforming Higher Education for Community Development** , 2025-07-10

This volume explores educational transformation as a tool for community development in northern Uganda with an emphasis on student centred hybrid and problem based learning It addresses key questions about existing education systems the need for transformation desired outcomes and foreseeable challenges The introductory chapter contextualises the reforms within Uganda's colonial history while subsequent chapters analyse institutional practices curriculum design quality of education and innovation in teaching and learning The book argues for new participatory learning infrastructures real world problems and curricular entrepreneurship to enhance graduates employability and position them as active contributors to community development The book is the result of a long term partnership between universities Contributors are Rozalba Aciro Agatha Alidri Helen Christine Waiswa Amongin Adebua Asaf Judith Awacorach Jerry Bagaya Peter Kakubeire Baguma Abola Benard Ann Bygholm Helene Balslev Clausen Lone Dirckinck Holmfeld Betty Akullu Ezati Cornelia Thea Seger Jakobsen Iben Jensen Annebeth Colic Landsvig Inger Lassen Stephen Odama Denis Ofoyuru Collins Okello Charles Nelson Okumu John Bismarck Okumu David Ross Olanya David Onen Joseph Oonyu George Ladaah Openjuru George Orangi Palle Rasmussen Arne Remmen Frida Skovgaard S rensen Geoffery Olok Tabo Wycliffe Scot Wafula and Hanan Lassen Zakaria
